

Discipline and Safety Requirements for Program Participants

Unacceptable Behaviour and Consequences

The following activities are unacceptable behaviour and will be grounds for considering whether to allow the Pupil to remain in a School Board Program for Students on Long-Term Suspension:

1. activities which disrupt the Program and seriously affect the ability of the Program staff to deliver the Program;
2. activities which disrupt the Program and seriously affect the ability of the other pupils in the Program to learn and benefit from the Program;
3. activities which place at risk of injury pupils in the Program, Program staff, or other persons on the premises where the Program is being delivered;
4. serious breaches of the Board Code of Conduct which affect the delivery of the Program;
5. serious breaches of the Board Code of Conduct which affect the health or safety of pupils in the Program, Program staff, other persons on the premises where the Program is being delivered, other School Board staff or other School Board pupils;
