

ALGONQUIN AND LAKESHORE CATHOLIC DISTRICT SCHOOL BOARD

ADMINISTRATIVE PROCEDURES

SAFE ARRIVAL (Policy Statement: SAFE ARRIVAL POLICY)

Purpose

1. School Administration shall recognize the importance of the safe arrival of its students and supports the establishment of Safe Arrival programs.
2. The Board and School Administration acknowledge that parents/guardians and caregivers are responsible for the safe arrival of their children at school. In cases where students are eligible for transportation through Tri-Board Transportation Services, the Board works in collaboration with Tri-Board Transportation Services to adhere to safe arrival policy and procedures.
3. The Superintendent of School Effectiveness shall ensure that Principals develop a Safe Arrival program in consultation with the Catholic School Council.
4. As part of Safe Arrival, Bus Accident Communication Protocol will be followed by school administration and Tri-Board Transportation Services.

Procedures

1. The Principal will, in consultation with the Catholic School Council, develop a comprehensive Safe Arrival program for their school/s, which will include:
 - 1.1. appropriate attendance-taking procedures to account for students' absence(s) from school;
 - 1.2. follow-up contact for unexplained and/or unreported absences;
 - 1.3. procedures when a follow-up contact cannot be reasonably made; and
 - 1.4. procedures for recording and maintaining Student Attendance Records.

2. The Principal will ensure that established procedures are reviewed with Catholic School Council and communicated to the school community at the beginning of the school year, and at other times as deemed appropriate by the Principal.
3. The Principal and/or Vice Principal will review the Safe Arrival program with all staff at the beginning of each school year to ensure consistent understanding and application of the procedures.
4. The Principal will ensure that the Safe Arrival program procedures will also address events and conditions, such as inclement weather, bus cancellations and bus accidents. Procedures will be developed to reflect the needs and circumstances of the school.
5. Parents/guardians and caregivers will also be responsible for providing the school with complete and current emergency contact information to enable the school to make any necessary follow-up contacts.
6. Parents/guardians and caregivers will be responsible for communicating to the school student absences.
7. Teachers will prioritize student attendance and ensure timely delivery to the office, both morning and afternoon. The administrative assistant/s will immediately collate attendance and contact the parents/guardian of children within the first hour of the instructional day, both morning and afternoon, as applicable.
8. Elementary principals will ensure that all external doors are kept locked during the school day and that entry to the building during the school day is regulated via the door access control system.
9. Programs should take into account that a language other than the language of instruction may be used in the student's home.
10. In case of a bus accident, the Principal or delegate will follow the Bus Accident Communication Process (see Appendix 1). Upon being informed of a bus accident by Tri-Board Transportation resulting in student injury requiring medical attention, the Principal will contact parents/guardians and follow up using templates provided in Appendix 1.)
