### **Ontario Secondary School Literacy Test (OSSLT)**

The Ontario Secondary School Literacy Test has been scheduled by the Ministry of Education for **Wednesday and Thursday October 27th and 28th**. All grade 10 students who are working towards an OSSD will write the test. Holy Cross will be conducting the test between 8:30 and 11:15 a.m. both days. Students / parents must reschedule any appointments that are currently booked for these days. Students who arrive late to the test will jeopardize their completion of the tasks. There will be NO extra time allotted for these circumstances.

All grade 10 students will be reviewing their literacy skills once/twice a week for a three-week period prior to the test date. All components of the test will be reviewed with students during these classes. All grade 10 students received a copy of a workbook entitled, "The Grade 10 Test of Reading and Writing Workbook" that they will be using in their literacy classes. All students are encouraged to take this workbook home for continuous review. Once again, you may obtain practice materials, student resources, and sample questions & answers at the Education Quality and Accountability Office website at [www.eqao.com](http://www.eqao.com). Parent/guardians will be advised in writing of their son/daughter's test outcome in the new year. Students who are not successful will retake the test next year.

Students who were previously unsuccessful on the OSSLT have an opportunity to attend an After School Literacy Program which will run for 5 weeks prior to the test date. Students who are not successful after two attempts at the OSSLT will be encouraged to write again this year and if they are unsuccessful they will enrol in the Gr.12 Ontario Secondary School Literacy Course. Successful completion of this course will meet the literacy requirements for graduation. Students must have had the opportunity to write the literacy twice before they are eligible to enrol in this course.

Accommodations will be made for students who have an individual education plan.

### **News from the Library**

Grade 9 parents & guardians - please note. This fall the Public Library is registering all grade 9 Holy Cross students for membership at no cost. Normally those living outside of the Library's territory (e.g. Amherstview) must pay an annual fee, but the fee is being waived this year for Holy Cross students. This enrolment is taking place as each Grade 9 home room comes to the Library for a one-period session to familiarize students with the vast resources of the HC library and that of the local Public Library. Parents/guardians are asked to return, signed, the two forms which were sent home with each student during September and early October. If you have any questions, please call Mrs. Shea or Mr. Cortis in the Library 384-1919 Extension 3413 or 3414.

### **Early Dismissal**

### Textbooks

As of late September, 95% of students had been issued the necessary textbooks for each course.

Students, parents and guardians are asked to note the following three reminders. Firstly, the green card received at the beginning of the semester must be presented each time a textbook or library book is signed out. Secondly, students are responsible for the condition of all of their textbooks. Any items requiring repair should be brought to the library immediately. Finally, and most importantly, students are responsible for the text or texts bearing a unique BARCODE found on the back cover of each text. For various reasons, it is fairly common for books to change hands. To avoid mix-ups students should write their name and the date PROMINENTLY in all of their textbooks.

All questions regarding cards, repair and particular barcodes issued to students are welcome in the library. For more information, please call 384-1919, x 3413 or 3414.
