PRINCIPAL'S MESSAGE

On **October 7th**, we issued our **Early Semester Report Cards** to students. This was an early indicator of each student's achievement in the first five weeks of this semester. The first half of the semester will end on **Wednesday, November 9th** and then on **Friday, November 18th** the **Mid-semester Report Cards** will be distributed in Period One classes. This Report Card provides extensive reporting in each subject including: a percentage grade; class median; absences/lates; Learning Skills and personal comments on the individual student's strengths, weaknesses and next steps. **There is ample time left in the semester for students to improve their marks and do well in each course.** If a student's mark is below 50%, this indicates the need to examine the work to date. This month will be a time to review academic strategies, goals and objectives for the school year. A discussion with the teacher will help you plan for maintaining the achievement level or ways to improve the student's mark.

Fall sports are proceeding well and all of our teams are putting in a great effort. Thanks to the coaches, managers, community volunteers, and students for always making us proud to see the Green and Silver on the courts and fields. Thanks also to the parents for coming to the games and showing incredible support! To view the schedules and standings go to www.coach@gametimes.ca

The **Holy Cross Arts Department** has embraced the challenging production of *Les Misérables* (School Edition). The auditions which began in the second week of September revealed an impressive range of talent inherent in all grades of our student body. The **cast and crew of over 100** are stepping forward and working with full energy and conviction to stretch their own capabilities to pull together what I am sure will be a truly great experience for all. You will not want to miss this student version of the famous Broadway musical *Les Misérables*, the 2nd longest running Broadway musical, which begins on November 30th and runs until December 3rd.

November is also the month when Catholics traditionally celebrate the feasts of **All Saints and All Souls**. At this time of the year, it is customary for us to offer prayers for all of our deceased alumni, parents, relatives and friends. We unite ourselves in prayer for all those who have passed into eternal life.

As the Holy Cross school community we welcome your input and questions on how we are doing as a school. Please feel free

to contact a teacher, counsellor or administrator during school hours. Check our website regularly for important updates on information. Our students, your children, are the centre of our work and their educational and personal accomplishments fulfil our mission.

We will be working with Mr. Brown at projects sponsored by his foundation when we are in Jamaica for our School Mission Trip in March. Our Jamaica Mission Group extends special thanks to **Mr. Rebelo** at the Ambassador, to **Mrs. McLeod** at the Bay, to **Classic Bakery** and to **McGinnis Landing** for their generous donations to our fundraising efforts. The students are looking forward to our Service Learning trip and we thank all those who have helped us with prayers and financial support.

We congratulate **Mr. McDonald** and his Grade 9 Homeform class on their outstanding contributions to our **Thanksgiving K-ROCK Food Drive**. Although we finished second to QECVI again this year, we continue to be impressed with the generosity of our students and staff towards our many charitable fundraisers here at Holy Cross.

During this month of November let us continue to remember and to pray for all our loved ones who have died and gone before us in faith.

GRADE NINE CLASSES VISIT HOLY CROSS LIBRARY
