The Holy Cross newsletter is issued on the first school day of each month.

### PRINCIPAL'S MESSAGE

I hope that the holy seasons of **Advent** and **Christmas** were a time for reflection and renewal for you and your family. On behalf of the **Holy Cross** staff and administration, I extend best wishes for a very **Happy New Year**. I welcome all staff and students back from the **Christmas** break. I extend a special welcome to **Mrs. Kathleen Burt** who will be joining our office staff. A fond farewell and best wishes for **Mrs. Jeannette Berry**, one of our cornerstones, who is off to new adventures.

Excitement was in the air in the month of **December** just ahead of the break. **The Phantom of the Opera** was phenomenal, a **Kingston** first; thanks to all the talented staff and students whose efforts were rewarded by appreciative full houses at each performance. The bands entertained us all at lunch time and during the **Katharine Splinter Memorial Concert**. **Mrs. Diane McCombs** was feted at this performance, to thank her for her many years of contributing to the music program at **Holy Cross**. I acknowledge the various charitable and social justice issues taken on by a number of student groups, for example **Students' Council** and **CICS** organizing our yearly **Advent Campaign**.

Now, in **January**, we reserve a little more time to ready ourselves for culminating projects and final exams. The field trip moratorium is one way as a school that we show that academics do take precedence. Another way we can show this is to encourage families to take vacations during the scheduled holidays. Sometimes, teachers receive requests to provide work for students as they go on vacation. Time together as a family is to be cherished; however, when you do so during the school year, there is a price to pay, academically. The in-classroom learning cannot be replicated. The **Education Act** tells us that students may be absent from school for illness, religious holiday, music instruction or some other unavoidable cause (such as inclement weather). If a student is absent from school for vacation purposes, it is his or her responsibility to get caught up on the work missed and, if possible, to make up any missed assignments. Some opportunities (for example, labs or group projects) may have to be accomplished in some other fashion, at the discretion of the teacher. It is not acceptable to expect staff to rewrite and reschedule final exams because of a family holiday.

We enter 2012 with many opportunities ahead of us provided we choose to make the most of our opportunities. I wish all students and their families a very **Happy New Year** and let's all of us as **Holy Cross Crusaders** make 2012 a great year for our school and community.

Paul A. Walsh

### PASTORAL UPDATE

**December** was certainly a busy month here at our school. We celebrated our monthly **School Mass** in the second week of **Advent** and each **Monday** morning gathered our students and staff for an **Advent Wreath Liturgy** in the **Main Lobby** of the school. During **Advent**, our school fundraised for several different charities. Our **Advent Campaign** saw our homeroom classes raise \$5,404.10 for our "**Brick by Brick**" **Campaign** to build a school in **Kenya, Africa**. This is one of the largest **Advent Collections** ever at **Holy Cross**, especially when it is combined with the food and money that we collected for **Christmas Hampers**; these were delivered to our adopted families during the last few days of school. Many thanks to all those who helped with this and with all our fundraising efforts this month.

'**LIFETEEN**' continues in the **New Year** at **St. Paul the Apostle Church**. If you haven't been to it yet, come check it out – **Sunday** afternoons starting with dinner at **5:15 p.m.** followed by talks, discussions, games and a **LifeTeen Mass** at **7:30 p.m.** in the **Church**.

Our **Jamaica Mission Team** students are now busy with final preparations for their **February 11<sup>th</sup> – 19<sup>th</sup>** trip to **Kingston, Jamaica**. Everyone is looking forward to working with the people at **St. Margaret's Remedial School**, the **St. Patrick's All-Stars Marching Band**, and at **St. Monica's Home for the Elderly**. Many thanks to all those who supported our fundraising efforts, especially our **Fish Fry** back in **November**.

We are looking forward to our final school **Mass** for this

### **STUDENTS' COUNCIL**

On behalf of the **Students' Council**, we would like to welcome back all students and staff from this year's **Christmas** break. **Students' Council** and our **Crusaders In Community Service** have decided to dedicate this year's **Advent Campaign** to helping raise the **\$8500.00** that is needed to build a school in **Kenya** through the **Brick by Brick Advent Campaign**. We would like to thank the **Crusader** community for their generous donations towards this amazing cause. The **Students' Council** was also very thrilled to see the **Christmas** spirit throughout the school. A **Tacky Christmas Sweater Day** was held on **Thursday, December 22<sup>nd</sup>** and students also had the opportunity take a picture with **Santa** and **Mrs. Claus** for a donation to our **Advent Campaign**. The **Students' Council Executive** also organized a movie trip to see **Sherlock Holmes** or **Mission Impossible** on **Friday, December 23<sup>rd</sup>** to kick off the holiday season! We wish the staff and students of **Holy Cross** health, happiness and continued success in the **New Year!**

**Stephanie Constantinidis, Communications Officer**

### **JANUARY 2012 EXAMINATION PERIOD**

The **Final Examination Schedule** is posted on the **HC TODAY** website. Exams are scheduled to be written at **8:30** and **12:00** beginning on **Thursday, January 26<sup>th</sup>** and are to conclude on **Tuesday, January 31<sup>st</sup>**. In the case of inclement weather and bus cancellations the exam schedule would be modified with examinations being "bumped" one day. i.e. if buses were cancelled on **Friday, January 28<sup>th</sup>** then all exams scheduled for the Friday would be written on **Monday, January 30<sup>th</sup>**, and the remaining part of the schedule adjusted accordingly. Further instructions will be given to these students if necessary. Listen to the radio or check the board/school websites for bus cancellations and exam delays.

### **JANUARY EXAMINATION RETURN**

Students will pick up their **January** examinations at the end of the day on **Monday, February 6<sup>th</sup>**. An abbreviated Semester Two timetable will be in effect for the day. Students will be able to pick up Semester One exams at the end of the day providing classes with the opportunity to take up and review the exam and final mark calculation (where available).

### **EQAO GRADE 9 ASSESSMENT OF MATHEMATICS**

In **January**, all **Holy Cross** students enrolled in a **Grade Nine Applied** or **Academic math course** will join others in a province-wide standardized **Grade 9 Math Test**. The 60 minute mandatory assessment will involve multiple choice questions, short answer and extended response. This test which is a component of the **Secondary School Reform** occurring in **Ontario** will be administered over two days during the student's regular math period. The test dates at **Holy Cross** are **Tuesday, January 17<sup>th</sup>** and **Wednesday, January 18<sup>th</sup>** for both **Applied** and **Academic** classes. Students and parents can get extra practice for the **EQAO Math Test** by visiting [www.eqao.com](http://www.eqao.com) under **Student Resources** and **Parent Resources**. More information will be sent home in **January**. *Please note that for students in the **Academic Program**, this accounts for ten per cent of their final mark; for students in the **Applied Program**, an exemption from final exam may take place if they: 1) have term work at level three or four, 2) submit an **EQAO** review book at level three or four, and 3) score level three or four on the **EQAO** assess-*

*ment. Teachers will inform their students of exemptions prior to final exams.*

### **TEXT BOOKS FROM SEMESTER ONE**

We remind students that textbooks must be returned by the end of their last exam day. The **Textbook Room** is open for this purpose every exam day. Students should bring textbooks to the **Textbook Room** themselves. Please do not leave textbooks in the classroom or examination rooms. These may be considered as "lost" books, which would have to be paid for. Each student's record must be clear of textbooks, library books or library fines before s/he may sign out books for Semester 2. If a book is lost or damaged, it must be paid for before next semester's books can be loaned. **Deposit cheques for \$100.00 will not be used at this time.** They will be held until the end of Semester 2. We of course do not "charge" for textbooks but only recoup for replacement or repair.

### **TEXTBOOKS FOR SEMESTER TWO**

Students are responsible for picking up their books before classes begin. They will need their green **Textbook/Library Card**. (Replacement cards cost \$5. and will take 24 hrs. so students must arrange for a replacement card ahead of time.)

The **Textbook Room** will be open for textbook pick-up every exam day. (Some textbooks may not be available until nearer the end of the exam schedule after previous users will have returned them.) There is no textbook sign-out service during class time once classes begin, but the **Textbook Room** will be open before and after classes, and at noon.

### **BRIDGES TO COMMUNITY THANKS YOU!**

The students of the **Bridges to Community Program** would like to extend a sincere thank you to all those who so enthusiastically supported our annual **Christmas** poinsettia sale. Your ongoing support enables our students to experience many exciting learning opportunities.

### **CRUSADER ATHLETICS**

The **23<sup>rd</sup> Annual Memorial** will be held this year on **Thursday, January 19<sup>th</sup>** in the **Regiopolis-Notre Dame** gymnasium. Thanks to the alumni and local businesses who have already contributed to the event. If you, or someone you know, would like to make a contribution for the silent auction or directly to the **Memorial**, you are asked to contact **Robin Dzierniejko** at [dzierobi@alcdsb.on.ca](mailto:dzierobi@alcdsb.on.ca). We are recognizing all of our sponsors this year on both the **RND** and **HC** ([www.gocrusadersgo.com](http://www.gocrusadersgo.com)) websites. As well, the date of the **Memorial** will be a green and silver day, as we hope to start the excitement early and push our **Crusaders** on to victory. The games tip off at **6 pm**.

"**The Memorial**" will be video recorded by **TV Cogeco** with an **HCTV** crew of **Specialist High Skills Majors (SHSM)** students. The Jr & Sr games will be cablecast (tape delayed) on **TV Cogeco cable channel 13** and **HD channel 700** at a later date.

### **HC Lacrosse Indoor Training**

This training starts on **Tuesday, January 10<sup>th</sup>, 8:00 p.m. to 10 p.m.** in the large gym. Interested students should see **Mr. Esford** in **Room 218** for more information.

Good luck to all of our winter teams as their seasons reconvene and travel toward the championships.

### **FALL 2012 UNITED WAY CAMPAIGN**

Thank you to staff who contributed \$ **2,500** to this year's **United Way Campaign**. Thank you to all who contributed by making a donation through payroll deduction and 50/50 draws and to **Ms. Shannon Guay** and **Mr. Chris Corcoran** who organized and helped with the various **United Way** activities.

### **ECO-CORNER**

Welcome to 2012; a great time to make some green resolutions! With the mild **December** passing many have wondered if we are observing the beginnings of climate change. In order to take action on climate change, the **David Suzuki Foundation** recommends three main areas where we can reduce our carbon footprint. As transportation accounts for about 30% of our carbon emissions consider carpooling, walking, and taking public transportation. Secondly, reduce you home energy use by lowering your thermostat and using energy efficient appliances. Thirdly, much of the food we eat comes from far away places, try to buy as much local produce as possible. These three changes will go a long way to improving our sustainable use of the planet. A big thank you to all homeroom classes that participated in the **Green Christmas Challenge**. Many great ideas were generated on how we can make **Christmas** more sustainable! **Keep it Green HC!**

## SAFE SCHOOLS UPDATE

Through the **Facility Enhancement** process and support by **Safe Schools Initiatives**, we have now installed *eight sets of strobe lights on the walls of the school*. These lights are intended to signal to classes on the palying field to head to our alternate location in the event of a lockdown. Up until now, students and staff outside of the building have had no way of knowing when we have initiated lockdown procedures. We hope never to have to put this plan into use, but will incorporate the strobe lights into our safety drills in order to be as prepared for emergency situations. Students and staff outside of the building are encouraged to check these lights and to alert one another if by chance they ever see them in use.
