## PRINCIPAL'S MESSAGE

Ontario has designated the week beginning on the third **Sunday of November as *Bullying Awareness and Prevention Week*** to help promote safe schools and a positive learning environment. In our Catholic schools we accept and respect everyone as a child of God. Each student and adult in **ALCDSB** has a role to play in creating and nurturing strong communities of faith, engaged communities of learning, and compassionate communities of service.

Congratulations to our school community for contributing so much to the **Thanksgiving Food Drive**. Our homeroom classes responded with incredible enthusiasm, ingenuity and generosity. During these unstable economic times, the need within our community has grown and it is so important for those of us who can give, to do so.

Thanks to the coaches, managers, community volunteers, and students for always making us proud to see the Green and Silver on the courts and fields. The **Students' Council** roused our school spirit with a wonderful **Pep Rally**. The collaboration between **Students' Council** and our **Communications Technology** staff and students on the **Gangnam-style** video was outstanding. The **Catholic Cup** event was once again wonderful, a testament to our fierce **Crusader** pride as well as to undaunting support from the fan buses and the community at large. We are grateful for all that everyone does to support **Holy Cross** athletics and all of our endeavours. Congratulations to our fall teams whose seasons have ended as well as to all of our teams working towards their seasons' completions.

On the **Professional Development Day (Monday, October 29<sup>th</sup>, 2012)**, all staff at **Holy Cross** for our **Staff Faith Day**, where we celebrated Mass and reflected and listened to **Fr. Leo Byrne, Chris Forster**, and recent graduates **Nicole Taylor and Nick Cotman**. All challenged us to consider more deeply our roles as Catholic Christians and people of prayer and action.

On **Thursday, October 11<sup>th</sup>**, we issued our **Early Semester Report Cards** to students. This was an early indicator of each student's achievement in the first six weeks of this semester. The first half of the semester will end on **Wednesday, November 7<sup>th</sup>** and then on **Monday, November 19<sup>th</sup>**, the **mid-semester Report Cards** will be distributed in Period One classes. This Report Card provides extensive reporting in each subject including: a percentage grade; course median; absences/lates; learning skills and personal comments on the individual student's strengths, weaknesses and next steps. There is ample time left in the semester for students to improve their marks and do well in each course. If a student's mark is below 50%, this indicates the need to examine the work to date. A discussion with the teacher will help you plan for maintaining the achievement level or ways to improve the student's mark. Teachers may refer some students whose progress is faltering to **Mr. Mike McAllister** or **Mr. Robin Dzierniejko**, our **Student Success teachers**, for what we call "**credit rescue**", an attempt to regain academic footing. As the **Holy Cross** school community,

we welcome your input on how we are doing. Please feel free to contact a teacher, counsellor or administrator during school hours. Check our website regularly for important updates on information. Our students, your children, are the centre of our work and their educational and personal accomplishments fulfill our mission.

## HOLY CROSS PASTORAL SERVICES

**November** provides us with a wonderful opportunity to remember loved ones who have died as we celebrate **All Saints** and **All Souls Day** at the beginning of the month. We will again have a special **Book of Remembrance** in the **Chapel**; and we invite students, staff and visitors to our school to remember their loved ones by writing their names in this book; these people will be remembered in our daily prayers and at all our **School Masses** during **November**. On **November 9<sup>th</sup>** we will be remembering those who gave their lives in the **Great Wars** of the past century or while serving in **Afghanistan** or on peacekeeping missions through grade level assemblies in the **Cafeteria** during Period One. Let us all take time to remember, to pray and to buy a poppy in support of our veterans.

**JAMAICA MISSION TRIP UPDATE:** Over 400 people attended our **Jamaica Fish Fry** on **Friday, November 2<sup>nd</sup>** at **Holy Cross**. And close to \$3000.00 was raised for the **Mission Trip**. A big thank you to all our students, parents, and staff who helped out and to all those who attended and who made this such a great evening.

**RETREATS:** Our Grade 10 home form classes attended the **Personal Growth: Mind, Body & Spirit Retreats October 16 & 17<sup>th</sup>**. These full-day retreats focused on ways all of us can develop a healthier respect for our sexuality. Thank you to our students for attending and to our Grade 10 teachers and other staff whose hard work and sacrifice made these retreats possible. We especially enjoyed our speakers this year: **Terrie Hoey, Lisa Lollar, Nadia Gundert and Ian Tyson**.

**CICS' CORNER:** Congratulations to all our students and staff for their wonderful contributions to our **Thanksgiving Food Drive** which will help to fill the **Food Bank** shelves. We are looking forward to our annual **Toronto Street Retreat** which will take place from **November 12-13<sup>th</sup>**. Permission forms are available in my office. We will also be offering a one-day **Kingston Street Retreat** on **December 18<sup>th</sup>** for **CICS** students.

**PRAYER INTENTIONS:** Please pray for the sick and for their families and caregivers. Many of our students and staff have experienced serious illness or even a death in their families recently and we offer our prayers and support to them.

**Chris Forster, Pastoral Services**

### THE SECRET GARDEN

**The Secret Garden** is a Tony-award winning musical based on the beloved children's novel by **Frances Hodgson Burnett**. It follows the story of **Mary Lennox**, a ten-year-old English girl growing up in India, but who is orphaned and sent back to **England** to live with her only remaining relatives, particularly her melancholic **Uncle Archibald**. Along her journey, she encounters a neglected 'secret garden' which, with the help of many characters, is brought back to life. In the process, her life and those around her 'blossom'. Characters are able to let go of the ghosts of the past which have haunted them, and realize that the love and kindness we have for one another is what truly transcends our own existence. This show involves more than 100 **Holy Cross** students, including 50 cast members and many others in the orchestra and who work "behind the scenes". The show opens **Wednesday, November 28<sup>th</sup>** and runs until **Saturday, December 1<sup>st</sup>**. Curtain time is **7pm; Holy Cross Cafetorium**  
Tickets - \$15 Adults; \$10 Students  
Tickets will be sold from 11:15-11:55 am in the front foyer **beginning November 14<sup>th</sup>** and at the door before the performances. Reserved Seating. Don't be disappointed – get your tickets early!

## PHOTOGRAPHY

**Grad Photos** and grad retakes were taken in September and

October. Students have received their proofs and order forms. Grad orders which were submitted by the October due date will be distributed before the Christmas break. Grad Photo orders are still being accepted. Please bring your orders to **Mr. Prior** between 8:15 and 10:00. Orders placed at this time, however, will not arrive until after Christmas. **School Photos** were taken in September, and orders have been distributed to students who ordered packages. Retakes were taken on **Friday, October 22<sup>nd</sup>**. Retake orders will be distributed in late November.

## STUDENTS' COUNCIL

October is sadly over and with it goes a jumble of spirit and charity driven activities. The **Pep Rally** was a roaring success! If you haven't seen the highlight of the show, the "**Crusader Style**" video, it was exceptionally well done! You can find it on **YouTube**. **Students' Council** assisted in the **Grade Ten Retreat** at **Rideau Acres** helping to make it a fulfilling and educational experience! The **Food Drive** ended extremely well. **Holy Cross** collected over 7000 pounds of food as well as \$2500 for the **Partners in Mission Food Bank**. **St. Vincent de Paul's** lunchtime meals program received a gift of \$500. We celebrated **Hallowe'en** with a **costume contest** and treat bag deliveries for students. Lastly, we made a donation of **\$1000** to **Regiopolis-Notre Dame** to put toward their new chapel! These funds were raised by a \$2 buyout of fourth period class to cheer on the **Junior Boys' Volleyball Team** in their game against **RND**.

But never fear! **November** promises to be a flourishing month as well, even in spite of the cold. On **Wednesday, November 7<sup>th</sup>** students who achieved an overall average of 80% or higher will be invited to the **Honour Roll Breakfast** during which they will receive certificates from **Students' Council** which can be handed in at lunch for a treat. We will be assisting in the **Advent Charity Drive** in some creative and fun ways! But all are plans are a secret... for now. And the biggest plan for this month is a **Holy Cross movie night!** We will be showing **Dark Knight Rises** on **Thursday, November 15<sup>th</sup>** (three weeks before its DVD and Blue ray release) at **7pm!** Tickets will be sold at lunch on the days leading up to the event for \$5 (or \$7 at the door). Don't miss out on this great opportunity to help support **Students' Council** and have a great time! "If you place something where there once was nothing, it is in that very spot where you will find resolve."

**Matthew Mark, Communications Officer**

## HOLY CROSS CATHOLIC SCHOOL COUNCIL

It was great to have committed parents, especially those of our Grade Nine and Ten students, join our first two Council meetings. The next meeting of the **Holy Cross Catholic School Council** will be held on **Wednesday, November 21<sup>st</sup>** in the **Library** at 6:30 pm. All interested community members are invited to attend.

## ECO-CORNER

This past month the **HC Green Team** has been busy planning this year's activities and theme. As a group, we have decided that this year's theme will be *to promote sustainable food choices*. With an ever-growing global population, there are more and more demands on the earth to grow the foods we eat. The foods we choose to buy have a great impact on our carbon footprints. For instance, choosing to buy foods that are grown more locally have less 'carbon miles' than foods needing to be shipped from other countries. The quantity of meats we also eat is also a big factor in our food carbon footprint. The **Green Team** is planning to get students thinking about our food choices during **Earth Week** assembly and displays. Meanwhile, we have cleaned up and mulched our **HC** food garden giving the last of the produce (carrots, kale, and tomatoes) to the cafeteria for making soups. **Keep it Green HC!**

## COUNSELLORS' CORNER

### Honour Roll Ceremony

A ceremony honouring last year's Honour Roll students will take place during Period One on **Wednesday, November 7<sup>th</sup>**. Our guest speaker will be **Brianna Roberts, Holy Cross 2008**, who is currently working for the "Me to We" organization in **Toronto**.

### Take Your Kid to Work Day

Grade 9 students will participate in **Take Our Kids to Work Day on Wednesday, November 7<sup>th</sup>**. This day is important in that it gives students the opportunity to gain exposure to the skills required in today's workplaces, and gain a better understanding of exploring career choices. Regular classes will not be held on this day. Signed permission forms must be returned to Student Services in order for students to participate.

### Post Secondary Information

Workshops for on-line application to **OUAC (Universities)** were conducted **October 18<sup>th</sup> and October 23<sup>rd</sup>**. ## NOVEMBER

For breast cancer awareness, people wear pink ribbons ... the idea behind **Movember** is that all males are encouraged to grow moustaches to help raise awareness for prostate cancer; these moustaches act as their ribbons. To involve women, light blue ribbons can be worn as well. At **Holy Cross**, we are coordinating Movember photo-taking throughout the month to show students and staff taking a big step to raise awareness for men's health issues. The 'Clean Shaven' photos will be taken on **Thursday, November 1**, in **Room 129**, followed by a halfway picture on **Thursday, November 15<sup>th</sup>**, and finally, the official 'mo' pictures on **Friday, November 30!** In addition, this year we are planning a **Run for Movember**. The run

will take place at Holy Cross on **Sunday, November 25<sup>th</sup> at noon!** The registration fee is **\$25**, which includes a Movember t-shirt, and all proceeds going to support Prostate Cancer Research. To sign up for the race, email **Robin Dzierniejko ([dzierobi@alcdsb.on.ca](mailto:dzierobi@alcdsb.on.ca))** or jump online to Events Online (<http://www.eventsonline.ca/events/november/>). Let's all get together to support men's health issues!

## ATHLETICS

## STUDENT ABSENCES AND THE PROVISION OF WORK

In reality, absences will occur from time to time. When teachers are absent, they often modify their lesson plans for the day and then make some adjustments upon their return. When students are absent, they need to follow a similar path. Students who are absent for legitimate reasons, such as illness or a school-approved excursion, should speak with their teachers at the earliest possible time and seek to find a way to get the lesson, and to either complete an assignment or a test as appropriate. In some cases, adjustments may need to occur (for example, a demonstration lesson will likely not be re-taught for individual students). Students who miss classes for legitimate reasons should not be penalized academically for these absences; however, it is up to them, in conjunction with their teachers, to get back on track as quickly as is possible. Many teachers have a web page from which students can access information; in other cases, students can check with peers to get a quick overview of what was covered. Students are reminded that doctor's notes are necessary for missing final exams. Family vacations should not occur during exam periods. When students are *going to be away for three or more days* (in cases of illness, suspension, or some special event), they or their parents are encouraged to contact the student's guidance counsellor. The guidance counsellor will put out a notice to teachers and, within a school day, work should be available at day's end for pick-up in **Student Services**.

### From the Attendance Office

1. Students are reminded that if they are feeling ill during the day and wish to go home they must report to the attendance office. Parents will be contacted by the Attendance Secretary to arrange for pick up.
2. Parents are reminded that if their child is going to be absent from school they must call the **Attendance Office (613-384-1355)** before 8:30 on the day of absence.
3. Students requiring to leave school early (e.g. **MEDICAL, DENTAL, or out of town sporting event**) must bring parent notes to the Attendance office prior to 8:30 to obtain a permission to leave slip.

### LATE BUSES

Two late bus (taxi) runs have begun, each **Monday** and **Wednesday**, travelling from **Holy Cross to Napanee and Amherstview**. These buses (or taxis) will only run if numbers warrant. **As these buses run on a needs-basis, please contact Mrs. Bouvier in the Main Office if you are interested in making use of this service, before 11:15 each Monday and Wednesday.**

**Information about the term "Executive Functioning. Attention Deficit Hyperactivity Disorder** affects executive functioning. The executive functions are a collection of processes that are purported to be responsible for guiding, directing, and managing cognitive, emotional and behavioural functions, particularly during active and novel problem solving. They are higher-order cognitive skills associated with the ability to engage in independent, goal-directed behaviour. Well-developed executive skills help to initiate behavior and be productive, inhibit competing actions, plan and organize a means to solve complex problems, shift problem-solving strategies flexibly when necessary, monitor, evaluate, and adjust behaviour when necessary, complete abstract reasoning tasks and learn rules.

Executive skills deficits often result in behavioural dysregulation "impulsivity, emotional outbursts, temper outbursts", forgetfulness, inefficiency, rule-breaking behaviour in spite of sufficient knowledge of rules, apathy and lack of productivity, difficulty understanding consequences and cause-effect relationships, difficulty coping with change, poor organizational skills, etc. Executive skills involve a very broad range of skills and abilities, have a prolonged developmental course and are believed to continue to develop until adolescence or early adulthood.
