School Supplies

August 27, 2020

Dear parents/guardians,

During the upcoming year, the local health unit and school board recommends not sharing personal classroom items at school. We ask that you send the following items with your child:

Face Mask – ALL students are required to wear a face mask at school, including Kindergarten to Gr. 3.

Backpack

Water bottle - our water refilling stations are available for use, but the water fountain has been capped off and cannot be used.

Pencil case that can hold:

- Set of crayons/pencil crayons/markers (12-24)
- Set dry erase markers (2-4)
- Scissors
- Glue stick
- Pencils/pens
- Calculator for Gr. 4 and up

We have been asked to do our best to ensure students limit the number of items brought from home. Please leave any unnecessary items that won't be used in the classroom each day at home.

Boomerang Lunch – in past years, we have strongly encouraged families to participate in our boomerang lunch program in support of our EcoSchools efforts. This year, all students are required to bring home any lunch garbage or recycling. We encourage the use of reusable containers and limiting the use of single plastic food items.

*Please label everything that you send with your child in order to avoid mix-ups and lost items.
