| Trustees to make final decision | Not to occur in the summer |  |
| Put transition plan in place |  |  |

Time is measured in business days from the date the PAR is approved. "Business day" is defined as a calendar day that is not a weekend or statutory holiday. It also does not include calendar days that fall within school boards' Christmas, spring, and summer break. For schools with a year-round calendar, any break that is five calendar days or longer is not a business day.
