

ALGONQUIN AND LAKESHORE CATHOLIC DISTRICT SCHOOL BOARD

POLICY STATEMENT

HOME/HOSPITAL INSTRUCTION

Rationale

The Algonquin and Lakeshore Catholic School board is committed to supporting the educational program of all students. Where a student is required by virtue of illness or hospitalization to be away from school for a period in excess of (3) days, educational support in the form of home/hospital instruction may be provided.

Guiding Principles

- Student achievement is recognized as an important indicator for student success
- Home/hospital support minimizes any negative effects on a pupil's educational progress as a consequence of the necessitated absence
