## Code of Conduct

### 2023 - 2024

#### Rationale

The community of Archbishop O'Sullivan recognizes that schools are most effective when a partnership exists between home, school and parish. We will work collaboratively to create a faith-filled community that promotes inclusion and respect. It is a basic tenet of our Catholic faith that all people are created in the image of God. As members of God's family, we are all deserving of respect and love. We accept the Gospel challenge to foster healing and offer forgiveness.

Archbishop O'Sullivan Catholic School community benefits from a strengths-based culture where school leadership, staff, families, community and volunteers are supported and invited into open and honest communication. Expectations about all aspects of work, performance, attitudes and behaviours are clear as well as one's rights and responsibilities. There is a shared vision and responsibility for achieving that vision. Success is celebrated and good practice acknowledged.

A strength-based approach specifies foundational guiding principles and beliefs including: a focus on restorative justice, the importance of promoting a safe learning environment, the Catholic Graduate Expectations (CGEs), Catholic Virtues, collective responsibility of all members of the school community, the school, and the board mission statement.

#### Standards of Behaviour

Roles and Responsibilities:

Students share with teachers, parents and parish the responsibility of maintaining the special spirit and character of the Catholic school within our community. This environment depends upon the cooperation and commitment of all involved. Students are to be treated with respect and dignity. In return, they must demonstrate respect for themselves, for others and for the responsibilities of citizenship through acceptable behaviour and living the Catholic Graduate Expectations.

Respect and responsibility are demonstrated when

- a student comes to school prepared, on time and ready to learn;
- demonstrates respect for all students, staff, coaches, volunteers, officials and parents;
- refrains from bringing anything to school that may compromise the safety of others;
- follows the established rules and takes responsibility for his or her own action.

Students have the responsibility to fulfill the Ontario Catholic Graduate Expectations and live the Gospel message by:

- exercising self-discipline;
- being courteous to fellow pupils;
- showing respect for school property;
- complying with all school expectations, procedures and codes of behaviour and
- giving respect and co-operation to all persons in positions of authority in the school.

## Archbishop O'Sullivan Catholic School Code of Conduct 2023 - 2024

**Parents/Guardians** play an important role in the education of their children and have a responsibility to support the efforts of school staff in maintaining a safe and respectful learning environment for all students by:

- showing an active interest in their child's schoolwork and progress;
- communicating regularly with the school;
- helping their child be appropriately dressed and prepared for school;
- ensuring that their child attends school regularly and on time;
- promptly report to the school their child's absence or late arrival;
- becoming familiar with the Code of Conduct and school rules;
- encouraging and assisting their child in following the rules of behaviour;
- assisting school staff in dealing with disciplinary issues involving their child;
- demonstrating respect for all students, staff, coaches, volunteers, support staff and officials in all extra-curricular activities and in their decisions regarding these.

Community partners and community-based service providers are resources that the ALCDSB can use to deliver prevention programs. Protocols are effective ways of establishing linkages between the ALCDSB and community agencies and assist in formalizing the relationship between them.

The Police play an essential role in making our schools and communities safer. The Police investigate incidents in accordance with the protocol developed with our board.

### **Recognition for Appropriate Behaviour**

- leadership opportunities;

### Progressive Discipline and Restorative Practices

Progressive discipline is a whole-school approach that utilizes a continuum of interventions, supports, and consequences to address inappropriate student behaviour and builds on strategies that promote positive behaviours. When inappropriate behaviour occurs, disciplinary measures should be applied within a framework which shifts the focus from one that is solely punitive to one that is both corrective and supportive. The staff of Archbishop O'Sullivan Catholic School utilizes a range of interventions, supports, and consequences that include learning opportunities for reinforcing positive student behaviour while helping students to make respectful choices. The previous disciplinary history of the student and all other relevant factors will be taken into account when determining the consequence.

### Suspensions and Expulsions

Progressive discipline is a stepped approach to support positive change in behaviour. It is recognized that a step, such as suspension or expulsion, which is further along in the progressive discipline continuum, may be necessary following a full consideration of circumstances.

Activities leading to a possible suspension under the Education Act, Section 306(1) may include:

### **Bullying Prevention and Intervention**

Archbishop O'Sullivan Catholic School takes a restorative approach to working with students, staff and families. Our school is committed to provide support to both the individual who has experienced bullying and support for the person engaging in bullying behaviour (recognizing the dignity of both students). It is important that all parties involved in bullying are included in the communication about the incident and restorative practices so that everyone feels safe and secure at school.

**Definition of Bullying:** As set out in in Policy/Program Memorandum No. 144, 2012 revisions included the revised definition of Bullying, "bullying" has been defined as: *Bullying: means aggressive and typically repeated behaviour by a pupil where, The behaviour is intended by the pupil to have the effect of, or the pupil ought to know that the behaviour would likely have the effect of,*

- causing harm, fear or distress to another individual, including physical, psychological, social or academic harm, harm to the individual's reputation or harm to the individual's property, or
- the behaviour occurs in a context where there is real; or perceived power imbalance between the pupil and the individual based on factors such as size, strength, age, intelligence, peer group power, economic status, social status, religion, ethnic origin, sexual orientation, family circumstances, gender, gender identity, gender expression, race, disability or the receipt of special education (intimidation).

For the purposes of the definition of "bullying" above, behaviour includes the use of any physical, verbal, electronic, written or other means.

### **Cyber-bullying**

For the purposes of the definition of "bullying" above, bullying includes bullying by electronic means (commonly known as cyber-bullying), including:

- creating a web page or a blog in which the creator assumes the identity of another person
- impersonating another person as the author of content or messages posted on the internet; and
- communicating material electronically to more than one individual or posting material on a website that may be accessed by one or more individuals.

## **Archbishop O'Sullivan Catholic School Code of Conduct 2023 - 2024**

### ***Other Factors:***

The following other factors shall be considered if they would mitigate the seriousness of the activity for which the pupil may be or is being suspended or expelled:

- The pupil's history
- Whether a progressive discipline approach has been used with the pupil.
- Whether the activity for which the pupil may be or is being suspended or expelled was related to any harassment of the pupil because of his or her race, ethnic origin, religion, disability, gender or sexual orientation or to any other harassment.
- How the suspension or expulsion would affect the pupil's ongoing education.
- In the case of a pupil for whom an individual education plan has been developed whether the behaviour was a manifestation of a disability identified in the pupils' individual education plan, whether appropriate individualized accommodation has been provided, whether the suspension or expulsion is likely to result in an aggravation or worsening of the pupil's behaviour or conduct.

### **Application of Standards of Behaviour**

#### **Attendance / Punctuality:**

We believe Every School Day Counts! Regular attendance and punctuality on the part of the student is vital to learning and for academic success. In case of absence, a student's parent/guardian is expected to call the school at 613-389-1891 (Safe Arrival) to inform the office. The late arrival of students must be monitored and recorded on school records. Therefore, all students who arrive late must report to the office prior to going to their classrooms. School attendance is the responsibility of parents/guardians, students and school staff. Students are more likely to succeed in school when they attend consistently. Successful schools work to engage students to ensure they come every day. If students are experiencing difficulty attending school, we want to work together with families and students to support a plan for success.

#### **Student Safety:**

There is a sign in/out book in the office. When a parent/guardian is picking up a child during the school day, the parent/guardian must report to the office and sign out their child. The student will be called to the office to meet the parent/guardian. When students return during the school day, they must be signed in at the office. Parents/Guardians or visitors must report to the office prior to proceeding beyond this point. At the office, they will sign the visitor's log.

#### **Personal Appearance**

Everyone shall dress appropriately for a positive Christian learning and working environment. You are expected to show good judgement in your personal appearance and dress. Clothing displaying inappropriate slogans or pictures or reflecting opinions of a sexual, racial or violent nature are not permitted. Also not allowed is clothing advocating the use of illegal substances or advertising substances such as tobacco or alcohol.

We expect modest grade/age appropriate attire. Parents/Guardians are reminded to ensure that students are properly dressed for the weather and all out of school activities.

## Archbishop O'Sullivan Catholic School Code of Conduct 2023 - 2024

Personal beauty products such as hairspray, paint spray, nail polish and nail polish remover should not be brought to school. When your personal appearance and dress does not reflect the expectations of Archbishop O'Sullivan Catholic School, you will be given an opportunity to find suitable alternate clothing.

### Transportation

Ensuring a safe journey to and from school is always our main priority when considering school bus transportation. We know that this journey works best when students arrive at their bus stop on time in the morning and are met at their bus stop at the end of the school day on time. Likewise, any changes to bus routines need to be relayed to the main office of the school, so that we can ensure students are safe in their travels to and from school. If there are to be any changes to the regular routine, it should be communicated in advance in writing. The school is a very busy place at the end of the day and it is difficult to ensure that all last minute changes are communicated.

### Personal Belongings:

Students are discouraged from bringing personal articles to school that are not required for instructional purposes or are not approved by the teacher. This is to promote safety and to lessen the potential loss of valuable items. Any regular phone communication during the instructional day will only take place through the use of school telephones and only with permission from staff. Parents/Guardians should continue to contact their child/children through the normal school channels for any emergency situation by contacting the school office. The school is not responsible for the loss of personal items.

A sample list of inappropriate articles follows:

- Cell phones (powered off and stored in backpacks)
- Expensive toys and games

### Medications

Prescribed medications are to be brought to the office by a parent/guardian and stored to ensure safety. School personnel will confidentially dispense medication. Consent forms must be signed by the parent/guardian and doctor outlining the amount and need of the medication as per Board Policy. All such medication must be clearly labelled and dated in an original container.

***Focus on what a student can do as the starting point, not what they cannot. See challenges as opportunities to explore, not something to avoid. Start with small success and build upon them to create a foundation of HOPE and OPTIMISM.***
