

Staff Members and Roles

There are many ways for parents to communicate with teachers. The most common way is to call the school and be routed to teacher mailboxes as listed below. Parents may also email the school, through the 'about us' then 'contact us' drop down list at the top of the page, and ask that the email be forwarded to the appropriate teacher, or set up a mutually acceptable interview time to speak in person. **Any person entering the school needs to check in at the Main Office before proceeding to any event in the building. In addition, teachers are not available to speak to parents during class time.** Please schedule meetings before or after school. Our children's security is a priority. Your cooperation is essential for the orderly operation of our building and is very much appreciated.
