

Transportation by Board Staff

Dear Parent or Guardian,

As an extension of the curricular program, an excursion to _____
for the students enrolled in _____ is planned for _____.

Students will travel by **private vehicle** leaving the school at _____ and will
return at approximately _____.

The excursion is considered an extension of the regular school program and accordingly, expectations regarding student behaviour are the same as those for the regular school day. While we do not anticipate any problems, any serious breach of discipline on the part of a student may result in that student being sent home at the expense of the parent/guardian.
