The Holy Cross newsletter is issued on the first school day of each month.

### PRINCIPAL'S MESSAGE

Now that the month of September has come and gone, let me take a moment to thank all members of our school community for a great start to the school year. Some highlights of our first month together include:

1 The 80 members of our Holy Cross community who participated in the 30<sup>th</sup> Annual **Terry Fox Run at St. Lawrence College on September 19<sup>th</sup>**. Many participants wore Crusader Spirit attire, making our participation clearly visible and capturing the **Barry Brady Trophy for the eighth consecutive year** for the most number of high school participants. It was great to hear the spirited C R U cheer just ahead of the starting gun. Once again, we come together as a community to fundraise for cancer research.

2 Our **Students' Council**, led by **Mr. Richard Coleman**, for spearheading our initiatives to welcome Grade Nines into our school from our day in August set aside to make sure students had their books and their lockers and were able to locate their classrooms, to the Grade Nine Orientation morning, which was good, if not clean, fun and ended with a BBQ, to the first school dance. We are proud of all of our students who were well-behaved at the dance, living up to the responsibilities charged to Holy Cross students. They are now collaborating with CICs **Executive** to spearhead our **Thanksgiving Food Drive**.

3 Our **fall sports teams**, who are underway, are demonstrating Crusader spirit in their preparations and fierce but fair play. We are very excited about the annual **PH Classic on Thursday, October 28<sup>th</sup>** and **The Catholic Cup**, being played "under the lights" at **Tindall Field on Friday, October 8<sup>th</sup>**.

4 Our arts department, many of whom are rehearsing for this year's school musical, **Pippin**. A musical allegory in which a young person searches for meaning in a world of false images, this song and dance sensation is sure to challenge and delight audiences when it opens in late November.

5 Another eco-initiative: **distribution of this monthly newsletter electronically to all parents and interested community members**. Over the last three years, staff have reduced photocopying costs from just over \$65,000 to \$44,000. This is a significant savings to the school and, ultimately, to the environment. (The dollars saved have been re-invested into department budgets in order to help purchase other needed supplies.) We believe that distributing the newsletter will achieve two goals: a further reduction in photocopying as well as increased access to the newsletter for our parents. We will still make some hard copies for homeroom classes to share and for distribution in some public areas of the school, such as Student Services and the Main Office. If your email address (provided to the school on registration forms), is out of date, please contact Student Services to update it.

Paul A. Walsh

### PASTORAL UPDATE

We are now well into this year's **Thanksgiving Food Drive** which runs until **October 7<sup>th</sup>**. Once again, we are in a friendly competition with other local high schools to see who can collect the most food for the local Food Bank and win the coveted **K-ROCK High School Challenge**. This annual campaign provides our school community with a wonderful opportunity to share our blessings with those less fortunate than ourselves.

**“CALLING ALL TEENS”:** One important date to keep in mind is **Sunday, October 17<sup>th</sup>** which is the **Kick-Off night** for the first **Life Teen** evening. All teenagers in our area are invited to this exciting program which begins with dinner at 5:15 p.m. followed by a talk, games, group discussions and ends with an upbeat Youth Mass in the church at 7:30 p.m. Join us Sunday evenings at **St. Paul the Apostle Church for Life Teen.**

We are also busy planning for our **Grade 10 Sexuality Retreats** which will take place right after Thanksgiving from **October 19<sup>th</sup> to 22<sup>nd</sup>**. Once again **all of our Grade 10 students** will have an opportunity to participate in these important and thought provoking retreats. The theme of the retreat days **“Sexuality: Mind, Body & Spirit”** addresses an important aspect of our lives, one that is often seriously misunderstood and even distorted in our contemporary culture. The retreat day format has been developed in consultation with our Religion Department, Pastoral Services, Youth Worker Services, School Board, school administration and the local Health Unit as we look at our sexuality from the perspective of a healthy and well-balanced Catholic moral framework. We are especially fortunate that **Anne Heemskerck**, Youth Coordinator for the Archdiocese of Kingston, will be part of our retreats this year, along with **Dan Schultheis** from Ajax.

Blessings to all this Thanksgiving and throughout the month ahead.

**Christopher Forster, Pastoral Coordinator**

#### **CATHOLIC SCHOOL COUNCIL**

Council met for the first time this school year on **Wednesday, September 15<sup>th</sup>** in the school library. Nominations were held this year **Lori O’Connor** will serve as Chair. Lori has been our Vice-Chair in recent years. **Catherine Pollitt** was named Vice-Chair, and **Ann van Herpt** agreed to serve as Secretary. Parent members for 2010-2011 include: **Adam Check, Kim Pho, Carolyn Kellar, and Nicole Taylor; Christopher Forster** as Nonteaching Representative; members from the **Administration Team** and from **Students’ Council** also participate regularly in these meetings. School Council is an advisory body that forms an important link with the school. All are welcome to join meetings. Please see the minutes on **www.hctoday.ca** for Catholic School Council information.

#### **THE PAUL HALLIGAN CLASSIC**

On **July 21<sup>st</sup>, 1997**, our fellow school community, **Regiopolis - Notre Dame**, lost one of its greatest supporters. **Paul Halligan** died of cancer after a two year battle with the disease. Paul was a graduate of RND, a basketball and football coach, an organizer of the Alumni Association, founder of the Irish Ontario Basketball Club, and the driving force behind the Peter Carty Memorial. Above all else, Paul was a devoted member of the school community, continually demonstrating his Christian call to service. He lived a vocation of service and our school communities are blessed to have known him and touched by his life.

October is **Breast Cancer Awareness** month; therefore we have decided to focus our efforts in this direction. This year alone 25,000 women will develop breast cancer and 5,500 of these women will die from this disease. We are hopeful that through your donations, we will continue the progress in **“Shooting For A Cure!”**

#### **P.H. Classic Day (October 28<sup>th</sup>)**

	Junior – RND @ Holy Cross	2:30 p.m.

#### **FROM THE ATTENDANCE OFFICE**

**1** Parents are reminded that if their child is going to be absent from school they must call the attendance office (613-384-1355) before 8:30 on the day of absence.

**2** Parents are asked to remind their children that they must not leave school without going through the Attendance Office first. **Early Dismissal For Appointments** (e.g. **MEDICAL AND DENTAL**).

**3** Students must have parent/guardian permission and show the note to the Attendance Secretary to obtain permission to leave the school.

#### **EQAO GRADE NINE MATHEMATICS ASSESSMENT**

The **Grade Nine EQAO Math Assessment Individual Results** have been distributed to all students who wrote the assessment last year. The detailed results will be available on the Holy Cross website shortly. Overall Holy Cross saw an increase in both the Applied and Academic Math scores from the previous year. All staff especially the math department will continue to work diligently to support this years grade 9 students.

#### **Teacher Candidates**

On Monday October 4<sup>th</sup>, the Holy Cross community welcomes eleven teacher candidates to our staff: **Victoria Byrne** in Geography/History; **Gordon Holland** in Technology; **Jason Ironside** in History/English; **Sean Kelly** in PHE/Biology; **Dana Levette** in Music/Math; **Shannon McLuckie** in Math/Chemistry; **Justin Murphy** in Chemistry/physics; **Maria Pajerska** in PHE/Biology; **Samantha Phillips** in English/Biology; **Amy Rooke** in History/English and **Andrea Spencer** in Math/Physics.

#### **School Safety**

The Algonquin and Lakeshore Catholic District School Board has taken steps to ensure your child’s safety while in school. Each school has developed school safety plan including the steps staff will take in the event of an emergency, including a parent communication plan and evacuation plan.

#### **Fire Safety**

In accordance with Fire Protection and Prevention Act, 1997 and the Ontario Fire Code (O Reg. 388/97), it is necessary to practice proper fire evacuation procedures three times per semester. We have had 2 successful fire drills to date with the third drill to be determined by the Fire Department during Fire Prevention week.

#### **Lockdown Drills**

A lockdown is an emergency situation which prevents the safe evacuation of a school building and requires steps to isolate students and staff from danger by requiring everyone to remain inside the building. In order to empower our students and staff with the knowledge of what to do in the event of a lockdown, we will be holding a lockdown drill sometime during the month of October. Teachers will review proper procedures and protocols with the students prior to the drill.

#### **PINK BAKE SALE - BRIDGES LIFE SKILLS PROGRAM**

The Bridges to Community will be holding their **2<sup>nd</sup> Annual PINK Bake Sale**. This event has proven to be immensely popular and will donate all proceeds to the **Paul Halligan Classic** in the name of cancer research. Mark your calendars – **Friday, October 22<sup>nd</sup>!**

#### **OPEN YOUR CRUSADER HEART!**

Once again our **United Way Campaign** begins at Holy Cross. This year’s campaign will be spearheaded by **Mr. Chris Corcoran**. Watch for their creative and fun events which will offer both staff and students opportunities to “touch a life”. Your United Way gift helps people in **KFL&A** when they need it the most!

## INTRODUCTION TO THE HOLY CROSS LIBRARY

Every year, we devote one class period to introduce all **Grade Nine students** to our Holy Cross Library and to give them information about our facilities and services. New students to our school will need to start developing advanced research skills and will need to become familiar with the resources available to them.

This will be a hands-on experience which will involve the students in activities designed to teach them about the various areas of the library. These will include the fiction, non-fiction, and reference sections, especially our various sets of encyclopedias; the PC computer lab, the CD-ROM computers, and the OPAC computers; the newspaper and periodicals section, both current and archives; as well as the various on-line databases accessible to them.

We see the library as a focal point of our school and our aim is to have each and every student feel welcome and comfortable with the use of all our facilities.

## STUDENTS' COUNCIL

Students' Council had a very busy September and start to the school year. This year's council has been hard at work organizing various activities for the students of Holy Cross. **Grade Nine Orientation** was a success as the new Crusaders met new friends and enjoyed many team building activities. The first dance, **Western vs. Hip-Hop**, brought out over 400 students who had a good time as they danced the night away. For the 8<sup>th</sup> consecutive year Holy Cross has a strong turnout at the **Terry Fox Run** and once again captured the **Brady Trophy** for best school participation. Thank you to all who attended and showed their school spirit! The **Partners in Mission Food Drive** will continue until **Thursday, October 7<sup>th</sup>**. The homeroom class of each grade who provides food the most weight per person will win a class pizza party. Non-perishable food items or money donations are gladly accepted to help the Kingston community. **Friday, October 8<sup>th</sup>** will be the pep-rally and **Friday Night Lights** at **Tindall Field**. Please come out and support our football teams and enjoy a great evening of Catholic school spirit.

**Sara Valentino, Communications Officer**

## KFLA HEALTH UNIT PRESENTS DRIVE FOR LIFE

An impaired driving prevention program for **Grade 11 students**, this event features four interactive presentations that address the consequences of alcohol use, strategies to avoid drinking and driving, and strategies to manage situations where alcohol is involved. The presentations took place on **Tuesday, October 5<sup>th</sup>** and **Wednesday, October 6<sup>th</sup>** in the **Duffey Gymnasium** and **Lecture Theatre** during Period 1. For additional information, contact Youth Worker **Chelsea Sandrin**.

## ECO-CORNER

Holy Cross is again working towards becoming a school that minimizes its impact on the environment and educates its students on the importance of conservation. The **HC Green Team** environmental club has begun to meet on Tuesday's at lunch with a good mix of students from all grades. New members are always welcome. Our first activity will be to work on maintaining the Founder's and Memorial gardens located at the back of the school. One of this year's plans being discussed is to increase awareness about the importance of eating locally grown food. Many food items purchased at the supermarket travel over 5000 km. The purchase of these foods carries a significant carbon footprint.

**HC Eco-Tip – Buy Local!** When purchasing food, consider where it comes from. Local farmer's markets are an excellent place to find locally grown food. You will be reducing your carbon footprint and supporting the local economy. It's a win/win situation! Keep it green HC!
