PRINCIPAL'S MESSAGE

“**Catholic Education: Walking in the Light of Christ**” is our theme for this year’s **Catholic Education Week**. It is based on the scripture passage from **John 12:46**: “I have come into the world, that whoever believes in me may not remain in darkness.” We are all encouraged to Listen, Learn, Live, Love and Lead in the Light of Christ. One important event during **Catholic Education Week** is the **Board Wide Mass**. This year the **Mass** will be celebrated at **St. Mary’s Cathedral at 10:30 a.m. on Monday, May 7th**. Our choir will be leading the music for the Mass and members of **Students’ Council** and **CICS** will be involved as ushers. All community members are welcome.

We congratulate **Mr. John Esford** and his **CommTech** students who competed in the **Eastern Regional Skills Canada** competitions at **St. Lawrence College**. **Hayley Dykins** and **Grace Esford** won **Gold Medals** in **TV / Video Production**. **Meggan Greyling** and **Jessica Taylor** won **Silver Medals** in **TV / Video Production**. This is a repeat of last year’s competition results! **Hayley** and **Grace** advanced to the **Eastern Regional Skills Competition** at **St. Lawrence College** on **Saturday, April 14th**. **Daisy Barrette** won a **Silver Medal** in **Digital Photography**. **Daisy** advances directly to the **Provincial Skills Competition** in **Waterloo, Ontario** on **Tuesday, May 1st**.

Picking up first place prizes, in the poster division of the **ALCDSB Water Campaign** contest, are **Mr. Lobo’s** art students **Mikayla Power** and **Shaye MacDonald** (honourable mention). Congratulations to all for sharing their talents in a context of an important social justice initiative, exploring the themes of water availability: who suffers.

We thank the current year’s **Students’ Council Executive** with teacher-advisor **Mr. Richard Coleman**, for organizing what we anticipate will be a successful **Spirit Week**, and for all of their efforts and enthusiasm on behalf of the school and their peers. We are so proud of the courage and commitment of all of the candidates and look forward to seeing what **Students’ Council 2012-2013** brings to our rich tradition of student leadership, mission service, and spirited commitment.

We are so pleased with the **Silver Medal** results of all members of the **HC** bands and vocals group who traveled to **Florida** recently. Congratulations to these students and to their leaders, **Mr. David Orser**, **Mrs. Diane McCombs**, and **Ms. Stacy Check Drumm**. The students performed very well and all enjoyed the sights and sounds of **Florida**. Particular acknowledgement is extended to **Tim Christie** for winning a **Festival Award**, for his outstanding trumpet solo.

We have just distributed mid-semester report cards. Now is the time to review teacher comments and make any necessary changes so that achievement is maximized. Please remember that there is a direct correlation between absences and achievement; those with more than ten absences in a course are at a much higher risk level for not achieving the credit. There is time for all of us to work together and do our best. We look forward to the culmination of this year’s achievements, academic and extracurricular, as staff and students

We all need to act responsibly and respect the property of our school community at all times. Let's continue the good work of our **Eco-Team**. ECO-CORNER

The month of **May** marks the end of the **EcoSchools** certification process here at **Holy Cross**. The **Green Team** has been busy collecting information about the state of our environmental efforts. Our garbage audit for the **2012** year revealed that on average students produce **107 kg** of garbage per year. This is a significant drop from last year which had a value of **140 kg**. About **50%** of this includes recyclables such as paper and plastic containers. This means that we need to continue to make efforts to use the recycling bins placed in the **80** or so locations around the school. Our recycling audit revealed that each student recycles on average **17 kg** per year, up from **14 kg** as recorded for last year. **96%** of classrooms blinds are being closed afterschool which is a positive measure as blinds help retain heat at night. Our energy audits revealed that **84%** of lights, **93%** of computer peripherals, and **48%** of monitors are being turned off when not in use. Finally, the **Green team** has been growing plants in the school's greenhouse that will be planted in this year's outdoor vegetable garden. **Keep it Green HC!**

HAPPY MOTHER'S DAY!

Mother's Day is a time for warm thoughts and fond memories, for expressing the feelings and words that often go unspoken, for letting those special people in our lives know that they are loved and appreciated. This spring, **Mother's Day** is celebrated on **Sunday, May 13th**. May God bless all mothers with the peace and happiness they so richly deserve.

SCHOOL TEXTBOOKS

We are very pleased with the responsible way in which students are dealing with textbooks. As we have requested, students are bringing in books needing repair. Prevention like this avoids students having to pay charges for repair or replacement at the end of term. It is the student's responsibility to personally return the textbooks they were issued to the **Textbook Room** to ensure that their account is cleared. Do not leave textbooks in the classroom or exam room. **Holy Cross** textbooks are due back no later than the day of the individual student's last exam.
