**School Pastoral Theme for 2014-2015 “BLESSED ARE THE PEACEMAKERS” (Matthew 5:9)**

### Message from the Vice-Principal

“Blessed are the Peacemakers”, is a wonderful theme for our school year. The goal of ‘peace’ will offer us many opportunities to grow together and to make a difference. Most recently, during the Thanksgiving Food Drive, our students and staff donated approximately 2100 kilograms of non-perishable food to the local Food Bank, which has seen a 15% increase in demand this year. Holy Cross exceeded last year’s donation and we extend a heartfelt thank you to all who contributed through your generosity and efforts. In the near future, there are numerous opportunities for students and staff to share and spread our peace. Our staff continues to gather and deliver weekly donations to the St. Vincent de Paul Society. These types of initiatives allow all people in our community to feel valued, and to have the dignity and peace they require.

During the 2014-2015 school year, we turn our attention to Pope Francis, who stands as a remarkable role model for peace in our world. Let us follow him and lead a life of humility, show concern for the poor and build relationships among peoples of various backgrounds and faiths. Together, we make every day meaningful for ourselves and others.

Wendy Gallant, Vice-Principal

## A Message from Students' Council

Yes, what you heard is true, the month of November is upon us! October was a great month for everyone here at Holy Cross, with such great events like the Thanksgiving Food Drive, and the grade 10 retreats. As we always do we are finishing the month off with a spooky Halloween costume contest! As November approaches, the Holy Cross Students' Council, on behalf of all students, wish to give thanks for our friends and family: we are working to make sure that the coming months are as great and as fun as these last two were!

## A Reminder about Tobacco and Tobacco Related Products

Holy Cross is a no smoking, no tobacco products site, as is referenced on page 18 of the student agenda. We need to be clear: this includes the so-called "smokeless tobacco" products that we often see and known as chew, spit, plug or snuff. These products, while less obvious to observers, are equally, even more harmful to health. This month, we will be mounting an information campaign warning students about these highly addictive, youth-marketed products. If you need more information, see [www.hctoday.ca](http://www.hctoday.ca) or [www.KnowWhatsInYourMouth.ca](http://www.KnowWhatsInYourMouth.ca).
