PRINCIPAL FAREWELL TO MY SACRED HEART SCHOOL FAMILY **From Susan Brannigan-Rampp, Principal**

It has been a privilege and a true blessing to work with our Sacred Heart students, families and staff for the past several years. It was a homecoming as I was a Sacred Heart Marmora administrator finishing in June 2007 at our old school so when I had the chance to return, I was absolutely thrilled. Since the pandemic, it has been particularly challenging and I have wanted to be here to support everyone but now I have to be with my home family as my husband (who is also V.P. at Nicholson Catholic College) has surgery and treatment for cancer starting Monday, February 1st at KGH. To take care of him and my own home family, I am completing my educational journey as of Friday and retiring. Commencing Monday, Ms. Anna Young, who is the current principal at Sacred Heart Batawa, will take over the reigns here. She has an absolute wealth of experience and lives in Hastings region. Many thanks and blessings to everyone in the Sacred Heart Catholic School Community. You will always be in my prayers and my best memories. It has truly been an honour to be part of this incredible community.

Although we said farewell to Father Gillis in our Advent newsletter, we welcome Father Pulikunnel to our school and parish community. His enthusiasm for embracing his guiding role with our students is so wonderful. For now, staff will be setting up virtual class visits in the days and weeks to come. Welcome Father!

WELCOME TO FATHER JUSTIN PULIKUNNEL
