"This year St Mary Catholic School Council will once again be organizing our annual Christmas Shopping event that helps our children do their very own Christmas shopping. This event has been a huge success in the past and we want to make it another successful year. We are in need of some new/gifted items you have received and will never use, or some gently used items that look new that the children can shop for. Items will be needed for women, men, children, and some children even buy for their pets. We're asking you to look in your cupboards now and start a collection of things you'd like to donate to our school for this shopping event. Mark your calendar as this event will take place at our school on December 13th. That gives you lots of time to gather some things. Ask friends and family members as well. You'd be surprised at who is willing to help out with donations. A more detailed letter will follow closer to the date. Thank you in advance!"
