A Message from Your Administrative Team

Mr. N. Woolley and Mrs. M. Morris

Welcome Back STCSS!

On behalf of the entire staff we wish you and your family a happy and healthy 2022. We look forward to having students back in school, rested and ready to finish the second quadmester on a strong note. We know many were hoping for a turn of events to start 2022 and the last minute change to virtual is difficult for many. The staff at STCSS are here to support students throughout this challenging time.

The daily virtual learning schedule will follow the normal school day schedule. Students are expected to be working on the course during the regular school day. Teachers will let them know which parts of the day are synchronous (live) and which parts are asynchronous. Please note that synchronous

can take on different forms and does not mean that teachers will be talking on screen the entire time but instead will be available to work with their students just as they would do in their classrooms. In saying that ,the schedule could shift depending on the content of the day and any unexpected internet outages, but essentially the school day is dedicated to school work.

At this point, students who were in need of technology have been contacted and should have arranged a time to pick it up if they haven't already done so. If students are in need of paper copies of work please have them let their teachers know and we will also arrange for pick up and delivery of that work.

Students are reminded to check their school email and

course D2L pages for direction for Monday morning as well as for any asynchronous work they were to complete this week.

Please note that there are many staff available for extra support whether it be academic or mental health supports so please encourage your child to reach out to access them.

We are set to complete the quadmester with final summatives on the morning of January 28th and 31st. Tuesday, February 1st will be the semester 1 credit recovery day followed by a PA Day on Wednesday, February 2nd. Semester 2 will begin with Quadmester 3 on February 3rd.

Stay Safe and Stay Healthy Titans!

Christmas Sharing 2021

The 2021 Christmas Sharing Program saw deliveries to families in the Belleville area on Wednesday, December 15th. Many thanks go to the students, staff and our school families for the generosity witnessed through many acts of kindness for our Christmas Sharing families. Thank you!! May the blessings of the Holy Season of Christmas offer you joy throughout 2022!

Titan Athletics

The St. Theresa Titans have nine sports teams participating in Bay of Quinte Athletics for the winter season. Leading up to the Christmas break some sports had league play while other teams were still in pre-season practices. ST. Theresa Student Council

Happy New Year Titans!

StuCo wants to wish you luck and all the best in these remaining weeks of Quad 2! Make sure you take some time for yourself and follow the instructions provided by your teachers. Our hope is to have more fun filled activities for you Titans next semester, when hopefully we can be together in the school again! During these difficult days, try to take some time to ask yourself:

What am I grateful for?

How am I using this time to improve?

How am I practicing self-care?

Who am I going to check-in with or connect with today?

What positivity am I sending out into the world?

Remember to take breaks, exercise, eat healthy foods, sleep enough, and keep smiling!

St. Theresa - The Little Flower

To begin the new year, we reflect on a quote from our patroness, St. Theresa of Lisieux – The Little Flower.

“Miss no single opportunity of making some small sacrifice, here by a smiling look, there by a kindly word; always doing the smallest right and doing it all for love.” (www.littleflower.org - St. Therese Quotes)

May every act of kindness, every smile, every thought and prayer we offer, be offered in love. May you and your families be blessed with the hope, the peace, the joy and the love of Christ throughout 2022.
