Dear AOS Graduates and Families,

As a way to recognize and celebrate you on your **Graduation Day**, we have designated specified times on **Monday, June 21st** for you to come to the school. This will be an opportunity for us to safely and responsibly invite you to the school to **receive your Graduation package, and to have Mr. Hulton present you with your Graduation Certificate**. It is also the time for you to retrieve your personal items from your classroom and return any items that belong to the school.

We will continue the celebration of this important milestone in your educational journey with a **virtual celebration at 7:00 on this evening, Monday, June 21st**. The link to our virtual Graduation will be emailed to parent/guardians, to students and will be posted on the class D2L platform. We will make arrangements with the recipients of Awards following the Graduation ceremony. Your report card will be mailed to you following the final day of classes on June 24th.

This date has been set aside for our Graduates only, a different day has been scheduled for the retrieval of personal items for the remainder of the school. Mr. Hulton will provide you with the schedule so you may choose which time works best for you.

On June 21st, at your scheduled time, we ask that you enter the school by your designated entrance/exit classroom door and to leave by the front door. In advance of arriving at the school students must complete this self assessment: [COVID-19 school screening \(ontario.ca\)](https://www.ontario.ca/covid-19-school-screening) and will [also be required to sign-in \(pens will be available or you may want to bring your own\).](#)

Thank you for your continued cooperation, patience and support.
