

ST. CARTHAGH CATHOLIC SCHOOL JUNE UPDATE

A Special Thank You

We would like to thank the CWL of St. Carthagh's and St. Edmund's Parishes for generously hosting the reception for our students and families participating in the Sacrament First Communion. It is always lovely to gather as a community to celebrate these special occasions. Thank you as well to Father Aidan for your spiritual guidance.

An invitation will be sent to families. Also, Gateway Community Health Centre is offering a "Kindergarten Readiness Program". This will occur in the JK/SK classroom in August. This program focuses on establishing classroom routines and making the transition smoother. If you are interested please call Rene at 613-478-1211. Food for Learning

St. Carthagh Breakfast Club would like to send out a special 'Thank you' to all of those who donated to our program throughout the 2018-2019 school year. From your help, we have been able to serve almost 4,000 breakfast meals and 3,000 snacks throughout this school year alone. This year we received a large monetary grant from President's Choice Charity. Each year President's Choice provides local school's with funding specifically for Breakfast Club programs and have committed to providing \$150 million over the next 10 years as a means to tackle childhood hunger. They are providing grants to help fund, educate, and empower communities, in hopes of helping children realize their full potential. In 2017 alone, they helped feed almost 500,000 children in over 2,900+ programs. We would especially like to thank the following for their generous donations throughout the school year: Centre Hastings Community Support and education (The Madoc Thrift Store), St. Andrew's Presbyterian Church, the Donoghue family, the White family and the Mumby family. We really could not do any of this without your help!!

FUN FRENCH FACTS

DID YOU KNOW?

"The learning of a second language is in itself an excellent pursuit, not least because it develops an appreciation of the act of communicating with others, the subtleties that must be expressed in words, the importance of listening."

Dr. André Obadia

Encourage your child to be a lifelong learner of French!
