### Jour du Souvenir

We will have a Remembrance Day ceremony on Friday, November 10 at 9:00 am in the gym for all students. All family members are welcome. **We would also like to invite 2-4 parents who are in the military to speak for one minute about what Remembrance Day means to you.** Please contact Mme Santos at the school if you are interested.

**Parent-Teacher Interviews:** Invitations to arrange a meeting during Parent-Teacher Interviews on November 9 were sent home last week. If you did not receive a form and would like an interview with your child's teacher, please contact the school by phone or email.

### Comment aider?

Interruptions during the school day have a big impact on student learning.

- Early pick-ups – please let the teacher know via a note in the agenda, when you plan to pick up your child. Your child can be ready at the office which will minimize disruptions to the whole class.
- Forgotten items- Please leave materials, lunches, etc., at the office with your child's name and their teacher's name. Your child can collect it from the office at recess or at lunch.
- Arrive on time- A large portion of the instructional program happens first thing in the morning when minds are fresh. Your child misses an important part of the instructional day and the chance to settle calmly into the day when they are late.
