Giving Hope During Advent

Partners in Mission Food Bank

Thank you to all the families who donated food items for our Jingle Bell Run for the Partners in Mission Food Bank. We filled the truck!

Tree of Hope

Thanks for all your help with this amazing fundraiser in sponsorship of a local family. Our school community raised almost \$600 in just over a week. We were able to get everything the children put on their Christmas lists. If anyone has it in their holiday budget to sponsor a family there are at least 50 more families needing sponsorship, spread the word!

Homes of Joy

The École catholique Cathédrale Social Justice League is pleased with all the contributions from students and families in support of Homes of Joy! This project is important to the Social Justice League because they want increase awareness of needs in Africa.
