### Arrival time:

- For parents who choose to drive their children to school, we ask that you **plan to arrive at the school between 8:00 and 8:20 am** so that all students can be ready to start the day when the bell rings at 8:25 am.
- The area at the front of the school on Johnston street can be used to drop-off students. Robert Reid Funeral Home and the Bethel Church generously allow parking in the mornings for parents who walk their children into the school.

### Pediculosis:

- Incidents of Head Lice are common in elementary schools. Please check your child's head weekly. If you find evidence of head lice or nits, information about how to remove them is available from your family doctor, school, health unit and most pharmacies.
- Please contact the school if you are **willing to volunteer** to check students for head lice and/or nits and have had training on the proper methodology for looking for lice and nits.

### Please note:

- Beginning in the new year, payment for school activities, hot lunch, milk and School Council fundraisers can be made online or by cheque.
- The next School Council meeting will be on **Wednesday, January 24.**
