PRINCIPAL'S MESSAGE

Catholic Education Week runs from **April 29th to May 4th**. This year's theme **"Created in the Image of God"** expresses the inherent dignity and worth of every human person regardless of race, creed, colour, political or financial status. Each human person is created in God's image and is thereby entitled to the same respect and dignity. The Pope in Rome, the chief executive in her office, the teacher in the classroom, the young person on the hockey rink, the surgeon at the operating table, the homeless person under the overpass, all equally share the dignity of being created 'in God's image'. And God not only created human beings 'in God's own image', but God brought all creation into existence and declared it to be "very good!" During this Catholic Education week let us celebrate the beauty and immensity of God's creation and every human person created by God in His image and likeness.

I extend to all community members my prayer for a joyous Easter Season.

And, our **Grade 12/Graduates' Retreat** will be held at Rideau Acres on **May 11th**. Please keep in mind the **"PARTNERS IN MISSION FOOD BLITZ"** which is fast approaching. KIDS HELPING KIDS TOONIE TUESDAY (MAY 1st)

The entire school community is invited to join in the re-launching of our Catholic Education Foundation on **Tuesday, May 1st, 2007** as part of our Catholic Education Week celebrations.

The **Catholic Education Foundation** has refocused its efforts toward the alleviation of poverty in our region and will officially proclaim this new direction by inviting the entire school system to participate in a **"Kids Helping Kids" dress up/dress down Toonie Tuesday**. All proceeds collected from students

and staff will go to the Emergency Response Fund of the Foundation established to respond to emergency requests by principals on behalf of students in need. This assistance includes the provision of eyeglasses, EpiPens, medical supplies, food and clothing, transportation and many other financial needs resulting from family crises.

Help make our "Kids Helping Kids" Toonie Tuesday a big success!

GRADE 9 ASSESSMENT OF MATHEMATICS

By now all **Grade 10 students** should have received their **Individual Student Report for the Grade 9 Assessment of Mathematics**, which was completed in the spring or fall of the 2005-2006 school year. For those who are currently registered in Grade 9 mathematics courses, the **Grade 9 Assessment of Mathematics will be written in Academic and Applied classes on June 14th and 15th.**

SAFETY AND COURTESY IN THE VICINITY OF HOLY CROSS

Now that the nicer weather has returned more students are leaving school property at the lunch hour. Students are reminded to dispose of their garbage in appropriate recycle or garbage containers at or around the school. We have experienced many phone calls from our neighbours lately about garbage on their property, particularly after our lunch time. We all need to act responsibly and respect the property of our school community at all times.

Respect for others includes leaving communal and private property undamaged. **Graffiti** is a growing problem in our community and is an issue that the police and local business groups are taking seriously. Show your Crusader pride by respecting the property of others and by refusing to join in senseless and selfish displays of tagging.

Lastly, all community members must ensure the **safety of themselves and others on the roads** around our school. All are reminded to adhere to speed limits and ordinary cautions in a busy, public area such as ours. Signs do indicate that drivers are to enter our property to the west and exit by the east; this includes students who must travel behind the school in order to enter the student parking lot. Parents are requested to use the driveway to drop off or pick up their children instead of interfering with traffic on Woodbine Road. Above all, we each must do our best to ensure the safety of ourselves and of others.

HOLY CROSS CATHOLIC SCHOOL COUNCIL

This month's meeting of the Holy Cross Catholic School Council will be **Monday May 28th** at 7:00 p.m. in the school library. All members of the community are welcome to this meeting.

HAPPY MOTHER'S DAY!

Being a mother has never been an easy role (that's an understatement) and in today's world, the demands are great. Mothers are like angels on earth; they stand beside us with keen observations, wisdom and encouragement that nurtures each one of us. Mother's Day is a time for warm thoughts and fond memories, for expressing the feelings and words that often go unspoken, for letting those special people in our lives know that they are loved and appreciated. This spring, Mother's Day is celebrated on **Sunday May 13th**. May God bless all mothers with the peace and happiness they so richly deserve.

SPECIAL EDUCATION AND RESOURCE NEWS

St. Lawrence College is offering an exciting new transition program for **students with learning disabilities or AD/HD**. **Destination: St. Lawrence** is a two-day experience on Friday, May 11th and Saturday, May 12th that offers students various skills in their transition to college. The focus of the camp is on educational workshops, including information about study strategies, adaptive technology and study tips. Students will have orientation with the Counselling and Disability Services Department and the college in general, while experiencing living in residence. Parents are invited to a "question and answer" session on the final day of the program. On **Wednesday, August 29th**, all students with disabilities are also encouraged to attend the **St. Lawrence Disability Services Orientation**. If you have been diagnosed with a learning disability or with AD/HD and are interested in attending college in **2007/8**, please contact **Ms. Marie Gavan Knox** in our Special Education and Resource Department, or **Ms. Sonya Lem** of **St. Lawrence College (613 544-5400 ext. 1688)** for more information.

The special education department under the leadership of **Ms. Gavan Knox**, along with **Mr. Dejneha** and **Mrs. Vella-Bowry**, have been working with **Janice Finkle** from **Queen's University** to organize a transition day for many of our Grade 8 identified learners who will be attending Holy Cross next year. The event occurred on **Friday April 27th**. The students were involved in the following activities; interacted with peer leaders, worked in our assistive technology lab, practised opening locks, toured the school, met teachers, reviewed their course selections for the next school year and had lunch in our cafeteria. We would like to thank the following Holy Cross students who volunteered their time to be trained to act as peer support helpers and who worked to ensure that the students had a valuable day. **Jamie Kenny, Alexander Braunstein, Peter Sanfilippo, Stuart Conway, Alysha Benn, Bobby Munroe Tigh Chapman and Emily Mackay.**

GENESIS AWARDS

Join the students and teachers of the Holy Cross Arts Department on **Thursday, May 24th 2007** at the **Genesis Awards**, a celebration of student achievement in the arts - Dramatic, Musical, Visual Art, Audio Video Production and Photography. This year's event will feature the **Student Gallery** showing works from many of our students and portfolios of graduating artists. The Holy Cross Jazz Band, Grade Nine Band, as well as highlights from video class works, will also be featured this evening.

The evening will include special artistic highlights of the 2006 - 2007 school year. Tickets are **\$5.00** and will be available at lunch during the week of the ceremony or at the door. The curtain rises at 7:00 p.m. Don't miss what has proven to be a highly meaningful and entertaining evening.

ST. LAWRENCE COLLEGE CONNECTIONS PROGRAM

On **Wednesday and Thursday May 9th and 10th**, Holy Cross students may explore careers in an interactive two-day Connections program at **St. Lawrence College**. The program will provide an exciting opportunity to investigate first-hand such careers as hairstyling/aesthetics, carpentry, police foundations, law and security, and early childhood education. **More information is available in Student Services.**

YEARBOOK DISTRIBUTION

Yearbooks will be distributed from the library on **Monday, May 28th** during periods 3 and 4.

STUDENTS` COUNCIL NEWS

This month, Student Council is getting ready to hand over to the **2007/8 Student Council-Elect**. Beginning on **May 7th** you will start to notice election campaigns throughout the school. Take note of the platforms that your candidates are running on and carefully decide who you are going to vote for on **May 16th**. The day before the elections there will be a **Town Hall Assembly** where the candidates will outline their campaign and try to win your vote. Being a Student Council representative is a time consuming responsibility- an election is an opportunity to choose a council that will best represent the student body to the wider school community and administration.

May 14th-18th is also a **Spirit Week** - look out for details on the daily activities that will show our Crusader Pride! The last dance of the year is on **Friday, May 25th**. Sign-ins will take place at lunch on the **22nd and 23rd of May**. The entrance cost is \$5 for Grads and \$10 for Grades 9-11. The theme is "Sports Rocks!" Sports or Rock 'n Roll— you choose! As always, stop in to the Council Office if you have any questions or concerns, and from the Council of 2006/7, **"Thanks for a Great Year"**.

JUNE EXAMINATION PERIOD

Classes for **senior student courses** will conclude on **Tuesday, June 12**. The examination period for these courses will begin on **Wednesday, June 13** and will be completed on **Tuesday, June 19**. The last day of regular classes for **Grades 9 and 10 courses** will be **Monday June 18**. The examination schedule for these courses runs from **Tuesday June 19** until **Monday, June 25th**. Morning examinations begin at **8:30 a.m.** while afternoon examinations start at **12:00 p.m.**

GRADE 8 ORIENTATION AT HOLY CROSS

On the mornings of **Tuesday, May 17th** our future Grade 9 students will have the opportunity to visit Holy Cross. The **class of 2011** will be given school tours, classroom visits, and will participate in a question and answer session with current Crusaders.

SCHOOL TEXTBOOKS

We are very pleased with the responsible way in which students are dealing with textbooks. As we have requested, students are bringing in books needing repair. Prevention like this avoids students having to pay charges for repair or replacement at the end of term. Texts for this semester are due back no later than the day of each student`s last exam. As always, it is best to return items personally to the **Textbook Room** or to the **Library**, rather than leaving items in the classroom or exam room. **HC textbooks are due back on the day of the individual student`s final exam**. All textbooks for **senior courses** are due back by **Tuesday, June 19th** and by **Friday, June 22nd** for **junior courses**. HC students are to personally **return the textbooks they were issued** to the Textbook Room or to the Library, to ensure that their account is cleared.

We expect textbook return to run very smoothly this June. Each student receives, in early June, a personalized report of the titles signed out to her/him. This is distributed in homeroom. It is a task of only a few minutes to double check the barcodes and titles for accuracy. There is, unfortunately, a small percentage of problems which arise at the end of each semester. Please do not allow your son or daughter to be counted in this group. If books are not returned, or are damaged, we will be cashing **\$100.00 deposit cheques** starting **June 29th**. If you have any questions about textbooks, please

call 384-1919 Extension 3413 (**Mr. Cortis or Ms. Pryal**), preferably before **June 22nd**.

CONGRATULATIONS TO CHESS TEAM

The HC Chess Team captured three of four prizes in the **2007 Eastern Ontario Youth Chess Tournament**, held **April 1st** at **H.M.C.S. Catarauqui**, amidst a field of 250 competitors. In the Grade 11 competition, **Christoper Ho** won the Gold Medal and **Rob Hayes** won Silver. In the Grade 12 competition, **Christopher Kohar** won the Gold Medal. Congratulations to the team and appreciation is extended to staff advisor, **Ms. Faith Bland**.
