PRINCIPAL'S MESSAGE

We welcome **Mrs. Madeline Hill Bouvier** to the **Main Office**. Some of you have already met her or heard her voice on the phone. She is joining our secretarial staff and we are very pleased to have her join the **Holy Cross** family. We also congratulate **Ms. Kelly Davison**, who has obtained her teaching certification and is now on the occasional teacher list for our board; we are thankful for her years of service to our community and will certainly miss her presence, especially in the **Bridges to Community** program. We hope she will return to us. We thank **Mr. Joseph Richardson** and welcome back **Mr. Tony Clarke** from paternity leave early in **November**. We were very proud of our medal bearers in the **Rick Hansen 25th Anniversary Relay** which passed by **Holy Cross** on **Monday, October 31st**. Our **difference makers** were **Peter Gates** and **Nick Cotman**, chosen because their actions in and around the school community embody their beliefs of an inclusive world. Congratulations to our school community for contributing so much to the **K-ROCK Thanksgiving Food Drive**. Our homeroom classes responded with incredible enthusiasm, ingenuity and generosity. The following **HC** home form classes collected the most food for their grade levels: **Ms. Rose** and **Mr. Michalski's** Grade 9's, **Mrs. Grady's** Grade 10's, **Mrs. Mayhew** and **Mr. Vaitekunas'** Grade 11's, and **Mrs. Pawliuk** and **Mr. McCombs'** homerooms for the Grade 12's. **Holy Cross** came second in the city behind **QECVI**, but most importantly, we contributed to the **Religious Hospitallers of St. Joseph's** efforts to feed the hungry in our own local community through the **Partners In Mission Food Bank**. Competition will never overshadow need and we know that the true intent of this drive is to share our resources with those in our community who are in need. We congratulate **QECVI** for bringing in an outstanding amount of nonperishable food items in their annual tradition. Thanks to the coaches, managers, community volunteers, and students for always making us proud to see the Green and Silver on the courts and fields. The **Students' Council** roused our school spirit with a wonderful **Pep Rally**. The **Catholic Cup** event was once again wonderful, albeit a return to afternoon games, a testament to our fierce Crusader pride as well as to undaunting support from the fan buses and the community at large, many of whom go without acknowledgement. We are grateful for all that everyone does to support **Holy Cross** athletics and all of our endeavours. Congratulations to our fall teams whose seasons have ended as well as to all of our teams working towards their seasons' completions.

On the Professional Development Day (**Monday, October 24th, 2011**), all staff gathered in Belleville for our **System Faith Day**, where we celebrated Mass and reflected and listened to a wonder-

ful speaker, **Fr. Tony Ricard** of **New Orleans**. He was filled with humorous anecdotes and pertinent messages. In keeping with our mission statement, he reminded us *to live and love as Christ did*.

On **Thursday, October 13th**, we issued our **Early Semester Report Cards** to students. This was an early indicator of each student's achievement in the first six weeks of this semester. The first half of the semester will end on **Wednesday, November 9th** and then on **Monday, November 21st**, the mid-semester **Report Cards** will be distributed in Period One classes. This **Report Card** provides extensive reporting in each subject including: a percentage grade; course median; absences/lates; learning skills and personal comments on the individual student's strengths, weaknesses and next steps. There is ample time left in the semester for students to improve their marks and do well in each course. If a student's mark is below 50%, this indicates the need to examine the work to date. A discussion with the teacher will help you plan for maintaining the achievement level or ways to improve the student's mark. Teachers may refer some students whose progress is faltering to **Mr. Mike McAllister** or **Mr. Robin Dzierniejko**, our **Student Success** teachers, for what we call "credit rescue", an attempt to regain academic footing. As the **Holy Cross** school community, we welcome your input on how we are doing. Please feel free to contact a teacher, counsellor or administrator during school hours. Check our website regularly for important updates on information. Our students, your children, are the centre of our work and their educational and personal accomplishments fulfill our mission.

HOLY CROSS PASTORAL SERVICES

November provides us with a wonderful opportunity to remember loved ones who have died as we celebrate **All Saints** and **All Souls Day** at the beginning of the month. We will again have a special **Book of Remembrance** in the **Chapel**; and we invite students, staff and visitors to our school to remember their loved ones by writing their names in this book; these people will be remembered in our daily prayers and at all our **School Masses** during **November**. On **November 11th** we will be remembering those who gave their lives in the **Great Wars** of the past century or while serving in **Afghanistan** or on peacekeeping missions through a special **Prayer Reflection**. Let us all take time to remember, to pray and to buy a poppy in support of our veterans.

JAMAICA MISSION TRIP UPDATE: Close to 400 people attended our **Jamaica Fish Fry** on **Friday, October 28th** at **Holy Cross**. And close to \$3000.00 was raised for the **Mission Trip**. A big thank you to all our students, parents, teacher candidates and staff who helped out and to all those who attended and who made this such a great evening.

RETREATS: Our Grade 10 home form classes attended the **Personal Growth: Mind, Body & Spirit Retreats** during the week of **October 18-21st**. These full-day retreats focused on ways all of us can develop a healthier respect for our sexuality. Thank you to our students for attending and to our Grade 10 teachers and other staff whose hard work and sacrifice made these retreats possible. We especially enjoyed our speakers this year: **Terrie Hoey, Lisa Lollar, Daniel Schultheis** and **Fabian Brown**.

CICS' CORNER: Congratulations to all our students and staff for their wonderful contributions to our **Thanksgiving Food Drive** which earned us second place in the **K-ROCK High School Competition**, but even more importantly helped fill the Food Bank shelves for Thanksgiving. We are looking forward to our annual **Toronto Street Retreat** which will take place from **November 14-16th**. Permission forms are available in my office.

PRAYER INTENTIONS: Please pray for the sick and for their families and caregivers. Many of our students and staff have experienced serious illness or even a death in their families recently and we offer our prayers and support to them.

Chris Forster, Pastoral Services

ECO-CORNER

Have you seen the changes to the back of our school? In the month of **October**, 46 solar panels were installed on the south side of the school. These solar panels will generate 10 kW and will help reduce the school's carbon footprint. Once the electrical connections are complete, the electricity generated will be sold back to the grid. The panels are placed on an angle above the windows to also provide shade when the sun is high. In other news, the **Green Team** has successfully started up the composting program in four areas of the school and is currently working towards getting better water fountains for the second floor. Keep it Green **HC!**

STUDENTS' COUNCIL

The school year is well underway as we enter into the month of **November**. **October** was a successful month for the **Crusader** community as we captured second place in the **Kingston Partners in Mission** food drive competition. Congratulations to the homeroom classes who rose to the top of the food donations podium and thank you to all who participated in helping an amazing cause. Earlier this month, both the **Jr. and Sr. Boys' Football teams** came out victorious at the "**Friday Day Lights**" **Catholic Cup Championship** against the **Regiopolis-Notre Dame Panthers**. Congratulations to both teams and thank you to all **Crusaders** who came out and showed their school spirit to support our boys! On **Wednesday, November 2nd**, the **Students' Council** will be hosting the **Honour Roll Breakfast** to congratulate the students who have achieved an 80% or higher average in the previous school year. The second dance of the school year will take place on **Friday, November 18th** (tentatively) in the **Holy Cross** cafeteria between 7:30 and 11:30 pm. The theme will be "Black Light" and **Holy Cross** students are able to sign in students from other schools to attend the dance. Details about sign-ins will be announced closer to the date of the dance. Late **November** will be the beginning of the **Advent Campaign**. We encourage those in the Holy Cross community to participate in this campaign. Best of wishes to all students and staff for another successful month in the 2011/2012 school year!
Stephanie Constantinidis, Communications Officer

MOVEMBER

For breast cancer awareness, people wear pink ribbons ... the idea behind **Movember** is that all males are encouraged to grow moustaches to help raise awareness for prostate cancer; these moustaches act as their ribbons. To involve women, light blue ribbons can be worn as well. At **Holy Cross**, some of our students have been working extremely hard to help create this event. They have been creating posters and helping with the organization of homeroom letters. The '**Clean Shaven**' photos will be taken on **Tuesday, November 1st**, in **Room 129**, followed by a halfway picture on **Tuesday, November 15th**, and finally, the official '**mo**' pictures on **Wednesday, November 30th**! Let's make **November 2011** at **Holy Cross** a huge success with both students and staff participating. The focus is not on fundraising, but rather in raising awareness about prostate cancer.

STUDENT ABSENCES AND THE PROVISION OF WORK

In reality; absences will occur from time to time. When teachers are absent, they often modify their lesson plans for the day and then make some adjustments upon their return. When students are absent, they need to follow a similar path. Students who are absent for legitimate reasons, such as illness or a school-approved excursion, should speak with their teachers at the earliest possible time and seek to find a way to get the lesson, and to either complete an assignment or a test as appropriate. In some cases, adjustments may need to occur (for example, a demonstration lesson will likely not be re-taught for individual students). Students who miss classes for legitimate reasons should not be penalized academically for these absences; however, it is up to them, in conjunction with their teachers, to get back on track as quickly as is possible. Many teachers have a web page from which students can access information; in other cases, students can check with peers to get a quick overview of what was covered. Students are reminded that doctor's notes are necessary for missing final exams. Family vacations should not occur during exam periods. When students are going to be away for three or more days (in cases of illness, suspension, or some special event), they or their parents are encouraged to contact the student's guidance counsellor. The guidance counsellor will put out a notice to teachers and, within a school day, work should be available at day's end for pick-up in **Student Services**.

From the Attendance Office

1. Students are reminded that if they are feeling ill during the day and wish to go home they must report to the attendance office. Parents will be contacted by the **Attendance Secretary** to arrange for pick up.
2. Parents are reminded that if their child is going to be absent from school they must call the **Attendance Office (613-384-1355)** before 8:30 on the day of absence.

3. Students requiring to leave school early (e.g. medical, dental, or out of town sporting event) must bring parent notes to the **Attendance Office** prior to 8:30 to obtain a permission to leave slip.

ATHLETICS

As the fall sports season nears an end, the winter sport season begins in **November** and **Holy Cross** is again expected to field extremely competitive teams in **Wrestling, Swimming, Curling, Cheerleading, Badminton, Boys' Basketball, Girls' Volleyball, and Girls' and Boys' Hockey**. This winter, over 170 student athletes from **Holy Cross** will attempt to compete in these championships. Approximately 50 staff coaches and 16 volunteers will provide these opportunities throughout the year. The websites: **KASSAA- www.kassaa.ca** and **OFSAA-www.ofsaa.on.ca** are excellent resources for schedules, league rules and any general information regarding high school sports. Information re-garding teams can be obtained through a number of sources, including school announcements, posters, our school's athletic web site -**www.gocrusadersgo.com**, local newspapers and the **KASSAA** web site. If you have any questions concerning a team, please contact the coach listed, or ask your home room teacher for assistance.
