### Principal's Message – March 2017

Semester two is well underway at Holy Cross and March break notwithstanding, we have a busy month ahead of us! We will celebrate our Ash Wednesday Mass on March 1<sup>st</sup> as a community. In the season of Lent, a time of reflection and preparation for Easter, we enter into a time of prayer, fasting and almsgiving. This year, our Share Lent campaign will be raising funds for four very deserving charitable foundations (K2K Jamaica Mission, World Vision, Development and Peace and St. Vincent de Paul).

Early Diagnostic reports will be coming home in the third week of March and will provide a glimpse into your son/daughters progress in semester two. Parent-teacher interviews take place at the school on March 29<sup>th</sup> and are a great opportunity to meet and speak with your child's teachers. I encourage you to come out for this event. Information about booking parent-teacher interviews will be forthcoming. Watch the website for details.

On March 30<sup>th</sup>, students in grade 10-12 that have to complete their literacy requirement will write the OSSLT (paper version only) at the school. Information for eligible writers has been sent home and updates will be communicated as we get closer to the date. Check the Holy Cross website for current information. On that day, Grade 9 students will participate in a retreat for the morning, thanks to Mr. Forster and our grade 12 student leadership teams for their assistance in running that event. Grade 9s and 10s will have regularly scheduled classes in the afternoon. Grades 11 and 12 students will be working independently on coursework/unit tasks on March 30<sup>th</sup>. Good luck to all writers of the OSSLT on the 30<sup>th</sup>!

I would like to thank our school council for their work in bringing Matt Bellace, PhD to the school for a series of excellent presentations at Holy Cross in February. Matt spoke during the day to our entire school community and then to a full house of students from our

partner elementary schools. He returned at night to speak to a group of over 100 parents and community members. In each presentation, Matt's message was delivered with a mixture of humour and sobering facts to drive home the importance of 'finding your natural high.'

Finally, as the March break will soon be upon us, I wish each of you and your families a safe and restful holiday and a return to school invigorated for the balance of semester two.

# PASTORAL NEWS

Over 30 Grade 12 Students took part in this year's Grad Retreat at Rideau Acres on Friday, Feb. 17. During the day students shared their concerns about graduation and how they would be able to live their faith after high school. They also took part in some fun ice-breakers and enjoyed an all-you-can-eat barbecue lunch served up by the Rideau Acres Staff. Congratulations to all those who took part in the Grad Retreat. And blessings on all our graduating students.

Six members of CICS and Student Council took part in the D & P Share Lent Retreat on Feb. 22 at St. Paul the Apostle Retreat. During the day, our students joined with Social Action Club leaders from high schools across the ALCDSB to learn about the theme and activities that D & P has prepared for Share Lent and Thinkfast this year. We learned much about "Women At the Heart of Change" which is this year's theme. We also heard about the dire situation in South Sudan where millions of people are at risk of starvation. All of us who attended are looking forward to putting what we learned at this day to work during Lent

Over 350 students enjoyed a great pancake breakfast on Feb. 28 and contributed over \$600.00 to this year's Share Lent Collection. Thanks to the hard work of Carole, Phyllis and Kelly, our wonderful Cafeteria Staff, we had just enough pancakes to serve the many students and staff who came this year.
