June 2018

Principle's Message

We have a busy agenda at Holy Cross, as always, in June. Firstly, the spring athletics season is nearing completion. Congratulations to all coaches and student-athletes for your dedication, hard-work and for providing some memorable accomplishments for our school. Our annual Green and Silver Athletic Awards banquet is upcoming on June 13th, and will be an opportunity to recognize and celebrate the achievements of our athletic programs in 2017/18. A special thanks to **Mr. Robin Dzierniejko** and his leadership group for their work in what will be an excellent night of celebration.

On the 17th of May, achievements in the Holy Cross Arts program were celebrated at the annual Genesis Awards. As well, the Senior Vocal and Dance showcase, an opportunity for many of our graduating artists to share their talents one last time on the HC stage, will take place on the 14th of June. This will be a show not to be missed! Many thanks go to Arts Department head, **Ms. Stacy Check-Drumm** and her team for these wonderful nights of performance and displays of artistic talent.

Our staff and students are working hard as we approach the season of culminating activities and examinations. Encourage your sons and daughters to prepare early, pace themselves and to get the rest that they need to succeed. Students enrolled in grade 9 mathematics this term will be writing the EQAO assessment on June 13th and 14th, as part of the culminating work in those courses. I am confident that our students are well prepared to succeed in all of their academic pursuits this June.

June 14 - Senior Vocal and Dance Showcase Evening

At the end of June, we will be bidding farewell to **Mr. Corrigan, Mr. Kallevig and Mr. Manion** who are entering into retirement. Thank you each for your many years of service and dedication to the community of Holy Cross CSS. You will be missed!

Finally, our grade 12 graduation will be upon us soon. I look forward to celebrating this event on June 28th, with the Holy Cross community. Our mass for the graduating class will take place at noon at St. Paul the Apostle Church. The graduation ceremony begins at 6 p.m. at the school. See you there!

EQAO Assessment of Mathematics

The dates for this year's Grade 9 Assessment of Mathematics will be: Wednesday, June 13th and Thursday, June 14th, 2018. All students are expected to be present for this assessment. Please avoid scheduling appointments on these 2 school days. Thanks for your attention to this matter.

The Wellness Team of Holy Cross would like to thank the school and community for all the participation and support given to the initiatives and activities undertaken this year. In particular, Dr. Susan Buchanan and her team of Queen's University psychology residents for leading us in various "Got Your Back" pro-active mental health lunch workshops. They were a great asset to our health promotion profile here at HC.

Another sincere shout out and thank you goes to all the teams' senior students who will be graduating this year. Your ongoing participation and leadership, especially to those who participated for the four years, has meant a great deal to the success of the Team. We literally could not have done it without you; so thank you and best of luck next year.

Please look for us in September and throughout the 2018-19 year as exciting activities lay ahead. Cheers to a wonderful, healthy (fuel, chill, chat & play) and safe summer.
