## Principal's Message

### Principal's Message – April 2019

Last week, I was honoured to speak about two Holy Cross students at the annual ALCDSB Beacons of Hope Award breakfast in Kingston. Grade 11 students Chloe Clifford and Ashley Mignault were recognized as this year's Beacons of Hope for their many contributions to the Holy Cross community. We at Holy Cross Catholic Secondary School are very proud of them. Congratulations girls!

In March, all students planning to return to Holy Cross in 2019/20 were involved in

course selection workshops delivered by our student services department. By now, all students should have entered course selections for the 2019/20 school year based on interest, ability and, most importantly, post-secondary destination or pathway. If your son or daughter has not made course selections for next year, they run the risk of not getting into the classes that they require or desire. Please ensure that course selections have been made!

On Wednesday March 27<sup>th</sup>, about 300 Holy Cross students completed the Ontario secondary school literacy test (OSSLT), the province-wide literacy evaluation that is also a graduation requirement. I would like to extend thanks to all grade 10 classroom teachers, to our Literacy Committee and especially to Mr. Dan Roberts, Mrs. Anne Poels and Mr. Paul Melim who ensured that all of our writers were prepared and that everything went smoothly on the 27<sup>th</sup>. For this year's writers, individual student reports of the OSSLT results will be available by the end of June.

Next Wednesday, we are pleased to present (in collaboration with our partner elementary schools), a parent engagement evening with Dr. Alex Russell, a Toronto-based clinical

Psychologist who will be speaking about raising resilient children. It promises to be an informative and thought-provoking event, and I hope to see you all at it!

Next week, we are pleased to welcome ALCDsBs new Director of Education, Mr. David DeSantis, to Holy Cross for his first official visit. I am excited to show Mr. DeSantis around the school, introduce him to our stellar staff and students and to share with him the many great things going on at Holy Cross. Welcome David!

I also want to take the opportunity to wish you a very Happy Easter. Easter gives hope for tomorrow, as after the winter comes Spring. May the risen Christ bring happiness to you and your family all year round.

## COUNSELLORS' CORNER

### Mid Semester Report Cards

On **Friday, April 26<sup>th</sup>** mid semester report cards will be issued to all students in Period 1. Students will be directed to take the report cards home that day. No formal interviews are scheduled at this time. Parents with concerns are asked to contact **Student Services**.

### Course Selection Verification Forms

Although it may seem early, the planning for the 2019-20 school year is well underway at Holy Cross. Students received Course Selection Verification sheets on Monday, April 1st, which indicates the courses that students have selected for next year. Our students are asked to select their courses in consultation with their teachers and parents. In addition, students are asked to bring the course verification sheet home and to return signed verification forms by **Monday, April 8th, 2019**. Alternatively, students and parents may view the courses selected for next year by visiting the Maplewood Access button on our website, clicking on Timetable and then selecting Choices. The courses selected for next year will be indicated. Students who plan to return to Holy Cross for next year should ensure that they have completed the course selection process including verifying their courses. Students who do not plan on returning to Holy Cross should inform Student Services.

### First Year 40

Grade 9 students who complete their 40 hours of community service graduation requirement by Friday, May 31<sup>st</sup>, 2019, will be invited to a recognition ceremony on Friday, June 7<sup>th</sup>. All students must complete 40 hours of community service before the end of grade 12 in order to be eligible to graduate. Grade 9 students who have completed the hours before the end of their 1<sup>st</sup> year of high school will be recognized at an assembly on Friday, June 7<sup>th</sup>. Students are encouraged to complete their 40 hours and submit the volunteer form to Student Services.

### University and College Acceptances

Final first semester marks have been forwarded to both OUAC and OCAS.

Please be aware of the fact that universities vary widely in when they send their offers of admission. Some students may have already had an early acceptance, but this is not the norm. Mid-term marks will be forwarded to OUAC/OCAS by April 25<sup>th</sup>. Universities will then continue to send offers of admission. Please reassure your son/daughter that they should not be alarmed if they do not hear at the same time as their friends. Students should expect a response from Universities by **May 29<sup>th</sup>** (latest). **June 3<sup>rd</sup>** is the earliest date by which Ontario universities may require a response to an offer of admission. Grade 12 students enrolled in e-learning or night school courses must have a midterm

mark submitted to Student Services by **April 18<sup>th</sup>** and a final mark by **June 21<sup>st</sup>**.

College applicants must confirm their acceptance of a college offer by **May 1<sup>st</sup>**.

**Lennox and Addington Stewardship Council** are sponsoring a student who resides in the L & A region to attend Ontario Nature's Youth Summit in Orillia – September 20 -23, 2019 see Mrs. Cantarutti if interested.

### **Volunteer Opportunity**

Science Rendez-vous Kingston is looking for volunteers on Saturday, May 11, 2019. Students are needed to help set-up direct visitors, distribute materials. Lunch will be provided. See Mrs. Cantarutti if interested.

### **Scholarships**

**Sean Jackson Scholarship** for high school graduates who demonstrate academic excellence and use energy, creativity and entrepreneurship to solve a vital problem in their community see Mrs. Cantarutti for more information.

**Frontenac Federation of Agriculture** is sponsoring a bursary to a graduate pursuing post-secondary education in the agri-food industry. See Mrs. Cantarutti for more information.

### **St. Lawrence College Connections**

Some grade 10/11 students have the opportunity to attend a one-day enrichment program at St. Lawrence College on **May 2<sup>nd</sup>**. This program provides students the opportunity to experience one of the following career pathways: Justice Studies, Community Services, Health Sciences, Applied Science and Computing, and Skilled Trades and Tourism. Contact Student Services for a registration form. Application deadline is April 10<sup>th</sup>. Students must see their counsellor to sign up and receive a permission form.

Communications Technology students travelled to Los Angeles, California over the March Break. The trip was an incredible opportunity for students to experience what it's like to work in the industry. Highlights included being an audience member of "Wheel of Fortune" (airing April 22, 23, 24), a Warner Bros studio tour, Hollywood Walk of Fame, Santa Monica Pier, Venice Beach, Universal Studios, a Disney leadership workshop, cinema secrets special effects makeup workshop, as well as taking part in an acting workshop - reading real TV scripts; and more! It was a spectacular trip and planning is already underway to return to LA in a few years! Stay tuned!

## PASTORAL NEWS

**LENT** began on March 6<sup>th</sup> with the celebration of our **ASH WEDNESDAY MASS** and the distribution of ashes, which were a reminder of our human weaknesses and ongoing need for God. On **Thursday, March 21<sup>th</sup>** and again on **Thursday, March 28** we celebrated our **Grade Level Reconciliations** with Fr. Tim Shea and Fr. Sebastian Amato and several local priests who were here to speak with students and staff and to celebrate the Sacrament of Reconciliation.

Our **CICS' Executive** is busy organizing this year's **ShareLent Campaign** which begins on Monday, April 8 and runs until Friday, April 12. Classes will fundraise that week in support of the **Catholic Organization for Dev't & Peace** and their "Share the Journey with Migrants & Refugees" campaign. Students from CICS participated in a Dev't & Peace Leadership Training Workshop at St. Paul the Apostle Church on March 19 which helped prepare them for the ShareLent Campaign as well as for our 25-hour **THINKfast** which will be taking place on Friday, April 12. Over 60 students and staff will be participating this year by fasting from solid food for 24 hours and raising money for D & P. See me to sign up and to get a Pledge Sheet and Permission Form.

God's blessings on all our students and staff as we begin the month of **April** and continue our efforts during Lent to give generously to those in need through our acts of charity and justice.

## **RAISING RESILIENT CHILDREN**

### **Parent Information Night**

Is it really a good thing to give children everything they need, all the time? In this keynote, Dr. Alex Russell addresses common challenges children and youth face, including dealing with troublesome behaviours, supporting children at school, and controlling or monitoring children's access to computers, cell phones and other forms of digital technology. A perspective is offered that helps parents take a positive and emotionally rewarding role in their children's lives, while allowing them to have the opportunity to make their own decisions—and mistakes—during the complicated business of growing up. In an enlightening and refreshing talk, Dr. Russell helps parents achieve this balance by providing essential perspective on today's child-rearing context and the powerful forces that pull us to become over-involved in our children's lives. Stop doing all the worrying—and let your kids do some for a change!
