

# 6 Week Lunch Hour Program Saint Marguerite Bourgeoys Catholic School

**Grade 1-3**  
**Program Fee: \$60**  
**Thursdays 12:05-12:55**  
**January 23rd – February 27th**

This is a hands-on class where students will design and build machines, catapults, pyramids, derby carts, buildings and other constructions out of LEGO® bricks. While exploring engineering, architecture and physics, students will develop problem solving and critical thinking skills. Participants build a new project each week. Architectural concepts are taught while assembling buildings, bridges and other structures. Once the project is completed, children use the rest of their time to expand their gadgets and collaborate with one another.

NOTE: Program enrollment is on a first come, first served basis up to a maximum of 30 spaces. Completed registration form and payment due to the school by **January 15th, 2020**. Accepted forms of payment include cash or cheque. Cheques can be made payable to Bricks 4 Kidz Kingston.

Students bring their lunch with them to this program and are given time at the beginning of the class to eat. Bricks 4 Kidz is proud to be part of the Boys and Girls Club of Kingston & Area; supervision for this program is provided by Bricks 4 Kidz staff, who are also Ontario Certified Teachers. If required, students will be arranged into appropriate grade level groupings to suit the skill level of each individual student.

The topic of this lunch hour program is Gizmos and Gadgets. This unit is all about the fun of doing something with what you've built. From a spinning top to a spin art model, kids will love playing with their creations! But don't worry, we sneak in lots of learning too--from understanding probability in the "3 in a row" game model to learning about friction and symmetry with the spinning top lesson!

Class 1 – Spin Art Machine  
Class 2 – Optical Illusion  
Class 3 – 3 in a Row  
Class 4 – Paper Crinkler  
Class 5 – Ping Pong Popper  
Class 6 – Car

Note: Class grade range may change based on interest, We do our best to keep classes to the specified day of the week, however delivery date may vary when necessary. The delivery order of builds may change. In the event that school busses are cancelled, our programs will be rescheduled. The school will be notified of these changes.

If you have any questions about this program, or our other offerings, please contact Sarah at [sarah@bgckingston.ca](mailto:sarah@bgckingston.ca)
