Family Ceiling Tiles Legacy Initiative

October 26, 2020

Dear parents/guardians,

Over the past few years, our School Council, parent volunteers, and student volunteers have been busy creating and painting positive messages, quotations, and pictures in the hallways, washrooms, and on the ceiling tiles of our school. This year, our school is undertaking a unique project to build upon the many positive messages that are already in place.

Our school's ceiling tiles are comprised of hundreds of plain white, rectangular pieces. A handful of those ceiling tiles have been decorated, but the vast majority are the plain white tiles that are often seen in office buildings and schools.

Families who may be interesting in painting a ceiling tile for our school have the opportunity to do so with this exciting initiative. Once the tile has been completed by your family, we can place it back up on the ceiling. Our goal is that our school community will benefit from an environment filled with positive messages that will last for many years in honour of some of our current families.

On the second page of this letter are a few examples of the ceiling tiles that are in place now, but feel free to be as creative as you wish. The only guidelines are that the messages and/or images you create must be suitable for people of all ages, is reflective of our shared faith, and you can only use paint (no glue or fastenings).

If you are interested in taking home one of our ceiling tiles to create on behalf of our school, feel free to let Mr. Minutillo or Ms. Fraser know and we can arrange the pick-up and drop-off details with you.

Many thanks,

Mr. Minutillo
Principal

Ms. Fraser
Vice-Principal

Ms. Rand
School Council Chair
