SMB Plantables Fundraiser

April 27, 2021

Dear parents/guardians,

We're very excited to announce that we've chosen to be a part of the Plantables School Fundraising Program for 2021. (We get 10% of the total of every order you place.)

This year,
we're raising money
with Plantables!

Who are Plantables?

Plantables are an exciting new startup based in Forest, Ontario that grow healthy, hardy, and happy fruit and vegetable plants and ship them to arrive at your door exactly when they need to go into the ground. That means that no matter how busy you are, how unsuccessful you've been at growing plants before, or how many little hands want to help out, you'll be able to grow brag-worthy fruits and veggies in no time. All you have to do is pick what plants you want to grow, choose when you want them delivered to your home, and wait for your box of garden-ready plants to arrive on your doorstep.

How does the program work?

All you have to do is tell everybody you know to go to www.plantables.ca . If they want to buy garden-ready fruit and vegetable plants for their garden, make sure they enter the code **SMBPLANTS** at the checkout. Purchases can be made until May 31st.

We're really excited to be launching a fundraiser that involves growing healthy fruits and veggies and spending time as a family instead of selling unhealthy snacks door-to-door, and we can't wait to see how much we all can raise. Thank you for all your support and happy planting!
