#### Welcome Back!

We hope everyone had a joyful and relaxing Christmas and holiday! We are excited to see what 2021 holds for all of us!

As we shared with students prior to the break, we have provided lessons, activities and assignments for them to work on at their own pace in their D2L course. We are pleased to be back and supporting remote learning for our students. We will be online for synchronous learning throughout the school day on Wednesday morning beginning at 8:45 with a whole group meeting. To connect to this meeting please click on the image of Mrs. Armstrong's face at the top of your D2L page.

Although we are working hard to ensure that effective and productive instruction is available to your children online, at this point, we are still looking forward to having our students back in the classroom on Monday, January 11, learning together with us.

#### We Are Here to Help

Taking care of our own and one another's mental health is very important and, as always, we ask families to reach out if we can be of help. We are all here for you!

#### Christmas Concert

Wow!! What amazing performances by our students!! We are all so proud of each of them for performing and demonstrating their variety of talents and skills in such unique ways this year!

If you have not yet had a chance to watch the concert please do so using the following link:

## Scentsy Fundraiser

Thank you to all of the students and staff who helped make this production come together and again to our students for persevering through these times and keeping our Christmas Concert tradition going despite the challenges presented by COVID-19!

Thank you to everyone who supported the School Council fundraiser in November and December! We raised \$214.05 for our school! Thank you so much to Corina Florent for donating the proceeds from her sales to St. Martin of Tours! We greatly appreciate everyone's efforts!
