TRACK AND FIELD DAYS

Our students joined Whitney Public School for an In-School Track & Field Day on Friday, May 15th. We are very proud of all the students as they encouraged each other as they strived to do their best. Thank you Whitney Public School for organizing a great activity day.

Our students had an amazing day at the Our Lady of Mercy and St. Martin of Tours Track & Field Meet at York River Public School on Tuesday, May 29th. All students showed great sportsmanship and competed extremely well. The final results will be published in our next newsletter.

Congratulations to all our students who competed in this event!

SCIENCE TRIVIA CONTEST

FEWL would like you to know that our science trivia contest started today.

Trivia sheets are 50 cents each and students can fill out as many sheets as they like. Sheets will be sold at lunch.

No devices are allowed but they can get help from friends. Questions are appropriate for each grade division as are the prizes. The student with the most correct answers will receive a prize.

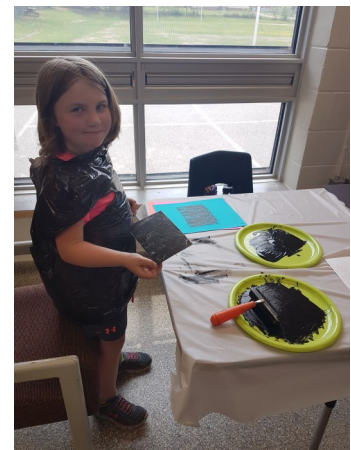

Special thanks to Christopher Nicholas who donated the prize for the junior level.

Winners will be announced on June 15th.

PRINTMAKING IN ART CLASS

Miss Raisanen's class is really enjoying their unit on printmaking in Art class. They've worked hard to create some beautiful prints and we would like to share them with all of you! Our next project will be making greeting cards, which we will sell at our car wash on June 16th. The cards will be \$1 each, and all proceeds will be donated to the Community Garden. Please come out and see the beautiful prints your children are creating!
