Dress up day! HAPPY HALLOWEEN!!!

WARM CLOTHING: With days becoming cooler and winter coming quicker, students should be dressing appropriately for conditions.

MILK: White and chocolate milk is now available on a daily basis. Milk will be 75 cents each. Milk cards can be purchased weekly at a cost of \$3.75 or bi-weekly at a cost of \$7.50 and monthly, cost determined by number of days in the month. The cards have no expiry date. We have found that this is the best way to handle milk sales, as the cards eliminate cash handling during the busy noon hour.

LITTLE CAESAR'S PIZZA FUNDRAISER:
Thank you so much to everyone who participated in and supported our school fundraiser. So many of our families participated and sold a total of 100 Kits which means we made a \$600.00 profit for our school! We could not be more grateful and appreciate everyone's hard work!

HEALTHY SNACK PROGRAM:

We are currently trying to get a healthy snack program in place for our students. Ms. Walczak has volunteered to take time to prepare snacks for our students, once the funding is in place. We are hoping to start soon, but will let families know when the program is approved.

WEDNESDAY, OCTOBER 24th

Every October Children's Aid Societies across the province raise awareness about the rights of children and youth to safety and well-being, and the responsibility of adults and community services to help children, youth, and families who need support. We all join together to share this positive message that help is available and to celebrate the community that cares for kids and families.

Primary students working hard on their writing.

The primary students joined our class last week to create decorations for the Special Gathering and Feast that took place at the church on October 13th. We had a meaningful conversation about reconciliation and about the issues surrounding Residential Schools. I'm very proud to report that the students provided responses that were kind, thoughtful and hopeful. Well done, everyone!
