Our "Beacon of Hope" 2019

Chris, you bring joy to our classroom every single day. You work hard in class and you persevere even when things are difficult or seem impossible. You have worked hard this year to learn the duties of being an Altar Server and you have taken this responsibility seriously and execute it with care. It has been a pleasure to watch you thrive spiritually, through serving on the Altar and through hearing your thoughtful reflections during Faith-based discussions. You are kind and compassionate and you interact with others with care and grace. I am so proud of the person you are and of the person you are becoming personally, academically, and spiritually. I admire your caring, compassionate nature, and I feel blessed to know you. I pray that you continue being the incredible person that you are and that you will always believe in yourself and your abilities. Congratulations on being our Beacon of Hope, Chris!
