UNIFORMS

A Special Announcement for our In-School Shop Customers!

Dear Friends,

Further to our note earlier this week, your School is being offered the extra shopping option of a phone appointment. We would like to share a reminder that, due to School closures, your School Uniform Shop will continue to be closed and we do not anticipate to be able to re-open until Fall. Due to social distancing guidelines, we simply can't staff our School Uniform Shops the way you may be used to but we have options for you. In addition to shopping online on your School E-Store and Call Centre phone orders, we are offering phone appointments exclusive to your School.

The good news is that shopping early is convenient and also means you can save money & time and spend August days enjoying the last days of summer! You can save up to 20% on your order when purchasing school uniform bundles in July. We have even launched an extended return policy (to September 15th) and a payment plan (interest free, over six weeks) to support busy families during this unprecedented time.

There are three ways to shop:

1. Your School E-Store

Did you know your school has a custom e-store, complete with fit videos, uniform guides and specialized advice? Visit your school store by 'searching for your school' on our home page. We recently launched a handy web chat feature and have staffed our call-centre so that you can have the support you need if you need some help along the way! Online shoppers can also now enjoy the industry's first flexible payment plan (interest free payments over six weeks!).

2. Phone Appointments

We are excited to be serving customers by phone appointments ! You can use our handy appointment booking tool to reserve your spot or call our Call Centre to book an appointment! Appointments are highly recommended for students who are new to the school uniform. We can help to ensure you are being fully serviced with a one-on-one consultation to assist with your sizing and a step-by-step guide to placing your online order. Appointments are limited, so to guarantee your private phone appointment, book soon:

3. Your School Call Centre

Our call-centre is open for shopping ! By giving us a shout at toll-free at 1-800-668-8261 Alex and his team would be happy to assist you with your school uniform purchase or questions ! Our call centre is staffed with uniform specialists who know the ins & outs of your uniform policy.

[CALL NOW](#)

Wishing you and your family a very safe summer.
Vanessa & the team at McCarthy Uniforms
