

SISTEMA KINGSTON

Student Behavioural Agreement for Outdoors 2020-21

In order to operate outdoors, which is very different from the closed space of a classroom, students and parents/guardians must agree to the following rules. Please review these with your student before signing:

1. Upon arrival at Sistema Kingston, students must remain with Sistema Kingston Teaching Artists until dismissal. Students may not wander off to another part of the park or leave the premises at any point during Sistema Kingston activities.
2. If students wish to leave early, they must provide documentation signed by their parent/guardian in advance. This includes students authorized to walk home alone.
3. Students may not use outdoor playground equipment at any time during Sistema Kingston hours. Sistema Kingston Teaching Artists are not responsible for students on any playground equipment.
4. Physical contact between individuals will not be permitted. Students must abide by social distancing regulations for the safety of all students and teachers. Sistema Kingston participants will remain a minimum of 6 feet apart at all times, as marked by the hula hoops. Students are expected to remain with/in their hula hoop as instructed.
5. Students must abide by Sistema Kingston Teaching Artist instruction at all times.
6. Arguing and fighting, whether verbally or physically, is not allowed.
7. Language used must remain respectful at all times.
8. Instruments provided by Sistema Kingston must be respected at all times. Students may only use instruments in the manner instructed, with extreme care.
9. Instruments will not be shared between students.
10. Students will not be forced to participate in Sistema Kingston activities, however it is expected that students remain respectful and stay in their hula hoop/designated area if they choose to decline participation.

Failure to comply with this agreement will result in a ONE WEEK suspension from all Sistema Kingston events. (ex. Thursday incident, cannot come back until the following Thursday.)
