

SISTEMA KINGSTON

Outdoor Policies and Procedures for Autumn Term 2020

Welcome back to a brand new year at Sistema Kingston! Our team has developed the following plan for this coming term for outdoor activities during the nicer weather.

Schedule Overview

We will be offering the following 40 minute organized music sessions a week. A PDF schedule to follow by email and will be available in hard copy at the site.

Mondays 3:30 pm - 4:10 pm

Tuesdays 3:30 pm - 4:10 pm

Wednesdays 3:30 pm - 4:10 pm

Thursdays 3:30 pm - 4:10 pm

Saturdays 10 am - 10:40 am

Locations

As we are unable to be present on the Molly Brant Elementary School site, we have chosen two local park sites to offer activities you may choose to join from within walking distance to your home. For students that do not live in close proximity to these parks, alternate arrangements will be offered privately on a case by case basis.

- **Max Jackson Memorial Park** (Oak Street & Cameron Street)
 - **Mondays, Wednesdays, Saturdays**
- **Memorial Centre Park** (Meet at Pine Street & Alfred Street)
 - **Tuesdays, Thursdays**

You will find our team members wearing the Sistema T-Shirts and hula hoops in place. No need to sign up, simply join us at whichever park is most convenient for you on the correct day!

Health & Safety

The health and safety of everyone involved is our number one priority.

- Each location to be equipped with necessary hand sanitizing stations including gel, spray and/or wipes. Students and parents to sanitize on arrival and when they leave.
- Social distancing will be in place at all times. Hula hoops distanced 6ft apart will be set up for your child to participate in as their personal space marker.
- If there is any contact with musical objects, hands will be sanitized by the teacher before and after.

- Teaching staff will wear face shields. Students are not expected to wear a mask outdoors, but are encouraged to do so if they feel safer.
- If there is any sign of illness such as coughing, difficulty in breathing, tiredness or runny nose, we will ask for the family unit to return home.

Handling of Equipment

- All equipment will be wiped down with antibacterial spray & disposable cloths before & after sessions.
- We will offer safely pre-packaged equipment.
- No equipment will be shared between students.
- Equipment is not to be brought near the face. Do not cough, sneeze or blow onto equipment.
- **NO COMMUNAL PLAY STRUCTURE USE DURING SISTEMA ACTIVITIES**
 - It is the choice of the parent/guardian for time outside of the group activity

Inclement Weather Notification

- If weather is unfavourable, the call to cancel the session will be made by **1pm that day**, at which point Sistema Kingston will not run in-person. No rain date will be given, just come to our next session! Notification will be sent by text, Facebook and Instagram.

Grouping of Kids

- To ensure safety of students and staff, groups will be no larger than **seven**, (6 students and 1 teaching team member). We have planned to allow for two groups to run simultaneously at the same park, socially distanced.

Parental Involvement

- Parents are welcome & encouraged to join if they wish to do so! Please ensure you are with your child(ren) behind their hula hoop and maintain social distancing from others outside your family.
- Please ensure no touching of equipment other than the equipment of your child(ren)
- If this isn't quite your cup of tea, feel free to bring a lawn chair and sit at a distance from the group to enjoy from the sidelines!
- Guests and family members of students must abide by the rules outlined in the Student Behavioural Agreement.

We will reassess this procedure once cooler weather is here to stay and look forward to announcing our online teaching platform for Sistema Kingston during the colder months.

Please keep this page for your reference, and return the signature page.

I acknowledge I have read and understand Outdoor Policies and Procedures for Autumn Term 2020 at Sistema Kingston.
