

STFA Weekly Update

Week of December 13, 2021

Good afternoon Wolfpack families,

We wanted to take a minute to share with you a weekly update for the week of December 13, 2021.

Spirit Week

Please [CLICK HERE](#) to see the spirit week poster for this week. If possible, we are asking families to donate \$1.00 to participate. All proceeds will go to the Youth Centre at St. Mary's Cathedral.

Monday - Pajama Day

Tuesday - Wacky Hair Day

Wednesday - Christmas Themed Clothing Day

Thursday - Hat Day

Friday - Red/Green Day and Ugly Sweater Day

Milkshake Day

Thank you to all families who ordered milkshakes. Students will receive them on Monday. We will have additional Milkshake days in the new year.

Kevin Wells Christmas Luncheon

On Friday, December 17 all staff and students will be treated to a traditional Christmas dinner. This will consist of turkey, mashed potatoes and corn, with gravy and cranberry sauce served on the side. Again, we would like to thank Ramekins for catering our Christmas luncheon, and our Catholic School Council for continuing to support this initiative.

Rapid Antigen Tests

Beginning on Monday, December 13, we will begin distributing Rapid Antigen Testing (RAT) Kits to students. A letter, with more information, will be going home with your child on Monday. This letter will also be emailed to all families as well.

Thank you and we hope all of you have a blessed Christmas season.

Mr. Gencarelli & Mrs. Day
