Borrowing a Device During Remote Learning

January 4, 2022

Dear parents/guardians,

Thank you for your patience, understanding, and cooperation as we shift once again to remote learning on Monday, January 10th. We would all very much prefer to be at school in person, but we will do our best to provide meaningful, interactive lessons remotely until then.

We know that some families do not have laptops or iPads at home in order to facilitate remote learning. If you require a laptop or iPad to borrow from the school while we participate in remote learning, you are welcome to let the school know and we can provide a device for you. You can reach the school at 613 272-2251 or flhpstph@alcdsb.on.ca to borrow a device or you can let your classroom teacher know.

After we receive your request to borrow a device, we can prepare the device for you for pick-up at school beginning Wednesday, January 5th.

Thanks again and stay well!
