

My School is Closed

www.theautismhelper.com

Right now, my school is closed.

Coronavirus is making a lot of people sick. We need to stay home so we can stay safe and healthy.

I may feel frustrated or confused that my school is closed. I miss my teacher and my friends. I can take a deep breath. I can ask my mom or dad for help.

My mom and dad will set up things for me to do at home. Some days, I may do some school work at home.

Soon we will go back to school.
